You will also find these underground dance melodies and the extensive and rare tracks played at the most famous Disco Clubs of the time. We have all this, lost in melodies of time, that you never thought to hear again. 70s Disco Nights Radio Listen for your own player The first birthday is a big deal. From the space to the decoration and the a lot goes into the design of the event. But one of the biggest challenges is deciding on a cake. You should go for a cake theme, custom cake, designer cake or just a simple cake of your baby Taste? Ideas can be overwhelming! That's exactly why MomJunction has come up with a list of the best first birthday cake ideas. Choose what you like best. First birthday cake for Boysit is very common to choose a blue-colored cake for a baby boy. But you could customize your cake according to the birthday theme or choose a design based on your child's favorite cartoon character or superhero. Here, we have some ideas:1. Birthday Cake Drums: Little boys love drums! This simple one-level cake with a zigzag fondant around it is just charming. Fill it with two mega-sized lollipops or fudge sticks and you have a perfect first birthday cake for your little man.2. Blue ombre cake: Ombre cakes are cakes or ruffles that have a darker color at the bottom, which alumni in white as it moves to the top, resulting in an impressive look. You can choose your child's favorite color, and design the cake with those shades.3. Chevron and Mustache Cake: This is a typical boys' cake. This two-tier cake can have horizontal zigzags in the first tier and vertical stripes in the top tier, with a bow in the center and a mustache at the top.4. Mickey Mouse Cake: The good old Mickey Mouse is a safe bet for the first birthday. Go for this three-level cake with red fudge in the first tier and white in the second tier and top with a black fudge and mouse ears over it. [Read: 1st Birthday Party Ideas] 5. Spiderman Cake: Simple and easy to make! All you need is a one-level cake with a red spiderman shape on top and black icing on the mask and spider web. If you want a perfect Spiderman cake, then go for a three-level cake with a red base and spider web, a blue second layer with black fudge buildings, and a square third layer that looks like a skyscraper. A Spider-Man, spinning the web, completes this masterpiece. 6. Angry Birds Cake: The most famous theme for birthday parties is Angry Birds. You can go for a single tiered cake with chocolate background and green fudge on top, along with birds, slingshots, and pigs. What if you have to plan a birthday party for a girl? We've got that covered, too. [Read: 1st Birthday Party Games] First birthday cake for girlscake ideas for girls are plentiful. Birthday cakes for girls can come in different shapes like Barbie's dress, Rapunzel and her hair, tiaras, shoes, and more. Here are some such cake ideas for you:7. Princess Cake: It's been a year since your princess has entered life This is the perfect opportunity to tell her how precious she is to you. Create royal magic with a princess cake full of pink and purple fondant colors.8. Babydoll Cake: A doll is every girl's best friend. A doll cake is elegant, charming and cute at the same time. Layers of cake are stacked and carved into a bell to form the doll's wobbly dress. Then it's and covered with fudge to complete the doll's dress. A real memento doll is then inserted into the center to complete the look.9. Minnie Mouse Cake: Who doesn't love the adorable little mouse talking? Design a minnie mouse clubhouse themed idea and a cake to go with it. A red or pink cake with black Minnie Mouse silhouettes and pink bows is a great choice. The cake is simple and can be made to order in local bakeries.10 Cake tiara: Your little girl's head can be a tad underdeveloped to hold a tiara; Instead you can have an edible tiara on her cake. Edible tiaras are made with gum paste, a material that hardens when drying, giving your girl a realistic look. Adding metallic silver to it makes it even more real. Isomant can be used to add colorful gems and diamonds to decorate the tiara. Use the tiara as a topper for a cake, complete with blooms or curtains to make your girl's first birthday similar to a royal gala. [Read: Return Gift Ideas for Baby's 1st Birthday Party]11. Castle Cake: If you have a little girl, there is no better way than to celebrate her first birthday than to have a castle themed cake. You can customize the cake according to your requirements. The castle cake is usually complete with all the small towers and minarets, flowing trellises and a princess figurine to go with it. You can have the minarets in gold to add some dazzle to the cake. Overall, a dreamy first birthday cake for your little princess or even your prince charming. If you are particular about what your baby is eating and want to have only healthy things, then read as we give you some options on it. Healthy First Birthday CakesA yummy cake doesn't need to be loaded with sugar and butter. You can go for a healthy cake that is just as yummy as your regulars. Here are some ideas for healthy first birthday cake:12. Healthy Chocolate Cake: No, this is not your normal chocolate cake. It is a healthier version that has Greek yogurt, honey, strawberries, chocolate chips, and unsweetened cocoa powder. This may be the best way to introduce your one-year-old to healthy eating habits.13 Carrot, coconut and date cake: This recipe replaces sugar with dates, honey, and grated coconut. Can you go for medium-sized round cake? Your little one will enjoy the carrot flavor and sweetness of honey and dates.14 Smash Cake: Smash cakes are tiny or medium sized cakes made for babies. Your baby can just smash cake with her hand or even dig her face into it if she wishes. Only natural ingredients like maple syrup and bananas are used in this cake, with soft frosting such as whipped cream or buttercream on top. This makes it easy for a baby to smash it with her little fingers so that you can make some sweet memories.15 Cinnamon cake: Cinnamon gives this first birthday cake that irresistible flavor. You can make it a tad healthier by adding bananas and honey honey natural sweetness. Layer up with apples or your baby's favorite fruit. [Read: 1 Year Baby Gifts]16. Egg and dairy free cake: If your baby is allergic to eggs or dairy products, go for this homemade cake made with almond curd and vegetable oil. You can fill it with banana slices, kiwis and coconut flakes or any other fruit your baby likes.17 Honey Oat Cake: This cake is naturally candied with honey and balanced with oats. It's moist and extremely healthy. You can fill it with flavored yogurt and fresh fruit or berries. The first birthday is special, why not make it memorable with a unique cake? Unique ideas first birthday cake Make your guests say, Wow! We've never seen a cake like this before! with these unique cake ideas:18. Transport cake: Your baby probably has his favorite vehicle, car, plane, truck or train. You can base it in blue fudge with a truck in the center of the cake. Go for mini cars as toppers and name it in the center.19. Navy cake: A navy, striped cake with pirates and a ship can gather all the kids at the cake table in no time and drool over it. You can have the base with a thin layer of blue and white on top. The ship with the '1' on it can be the cake topper. Write your baby's name on the side walls of the cake along with a ship wheel fondant.20 Bar Cake: This will probably be one of the best first birthday cakes your baby can have. If your baby has a soft alphabet bar toy, and recognizes the shape of the letters, get them an alphabet bar cake. Looking at it, your baby just squeals in delight.21 Lego Cake: Your little one will definitely have a Lego set in their collection of toys. Now you can take their love of games to the next level with a Lego cake. A one-tier cake with small Lego fondants of all colors adorning the cake on top and sides with a baby Lego piece in the center makes this cake a hit.22 Barnyard cake: The barnyard theme is popular with kids. It is made of layers of cake, stacked and covered with red fudge. Chocolate or white fudge is used to make the ceiling and windows. Add some pets like cows, goats, ducks and hens around the barn and have a barn cake ready for your baby's birthday. Need some more creative ideas for the cake? Read more if. [Read: Baby Shower Centerpieces] Creative First Birthday Cake IdeasUnleash your creativity and let your ideas flow into the cake. And in case you run out of ideas, we have here for you:23. Baby-in-a-bathub Cake: Most babies love their bath time and instantly connect to a bathtub cake. Add your baby's favorite toys as edible toppers to the bathtub cake and watch them dip right into it with glee.24. Carousel cake: Another thing that reminds people of their childhood is a carousel. Colorful scenes with toy horses moving around the Sitting on horses and feeling the wind through your hair, frantically waving at your parents - a carousel cake reminds you of this and more. This cake consists of two cakes, one forming the base and the other forming the top of the stage. The pins, which are used to support the upper layer, are also the support for edible horses, which adorn the carousel cake.25. Gravity-defying cake: Gravity-defying or topsy-turvy cakes seem to be precariously arranged and to be overturned. However, they are made according to the principles of physics and are built in a way that balances with each other. A fun topsy-turvy cake idea for the first birthday would be a teapot cake.26 Winter Candy Cake: If you have a winter born baby, then go for a cake with Christmas tree, candy cane, and snowflakes. It's just right for the first birthday, and you can also present the festive season to your baby.27 Number of cakes: Number of cakes is always in demand. You can make fun and easy, numbercakes at home, on your own. All you need are some cakes, which are cut and assembled in a way that resembles the number 1. Cover them with buttercream frosting, or whipped cream to hide any imperfections and make the perfect little homemade cake for your little angel.28 Surprise Berry Cake: The chocolate cake is topped with fresh berries. You can have a variety of berries (blackberry, raspberry, strawberry) in each circle over the cake. If possible, you can cut any non-juicy fruit in the shape of 1 and place it in the center.29. Rainbow Cake Ruffles: Your child's first birthday cake couldn't get any cuter than this. This cake has seven layers of ruffles topped with 1 fudge, making it simple, colorful, and beautiful.30 Superhero Cake: You can choose Superman, Ironman, Spiderman or Captain America. Your choices are plentiful, so go with your child's favorite hero and decorate the cake accordingly.31 Family Cake: Celebrate your family with this cake. It includes fondants of mom, dad, and baby - the main family members. You can have a fondant sofa with mom, dad, baby, and siblings sitting on the couch and baby holding 1 fondant. Take the baby's name to the center. [Read: Baby Shower Cake Ideas]32. Seasonal cake: Celebrate the season in which your baby was born. If it's spring, you can have colorful flowers and lots of fresh fruit in your cake. Winter could mean a Christmas themed cake, white freeze cake and summer cake could be yellow with and beaches.33. Football cake theme: Your little one is too small to play a sport, but we're sure throwing a ball is one of their favorite games. This football cake can please them without end. Go for a three-tier cake with white as a base, blue in the middle tier, and green in the third tier. Place a football fondant on top of the cake to complete it.34. complete.34. Twinkle Little Star Cake: Is 'Twinkle Twinkle Little Star' the nursery rhyme your little one enjoys listening to?, Celebrate the infant's birthday with this rhyme and a two-tiered blue cake with star fonds fowled on it. Top with a baby picture and pins protruding stars. If your baby loves dogs, cats, rabbits or just about any animal, then you shouldn't miss the reflection of that love on their first birthday cake. Animal Themed Cakes Word lions, puppies, cats, and giraffes go out for your baby's first birthday party. This animal fondants will make your cake wonderful.35. Grey Elephant Cake: One of the popular animals among children is the elephant. Go for this simple two-level brown cake topped with a grey elephant.36 Owl Cake: An owl cake is easy to make at home. You can either go for a cake that is owl shaped or have a two-tier cake with an owl-shaped fudge in the top tier. The fudge owl doesn't have to be in brown; you can choose a color of your choice.37. Caterpillar Cake: If your baby loves the classic 'Hungry Caterpillar' story, then we think you should have a caterpillar-shaped cake that ate everything until you can't eat anymore. To make the cake more attractive, place a large apple (half-pinch) fudge in front of the caterpillar, to show its insatiable hunger.38 Safari cake theme: This is a simple two-tier round cake with a bunch of jungle animals on the first layer and a monkey holding '1' in the second tier. Alternatively, you can just go for a single large plate of cake with edible animal toppers.39. Reptile Cake: This can go well if you have a reptile-themed party. It's going to be a wild birthday party. You can use bundt cakes for reptile shape and fruit roll-ups for tongue and Smarties or M&Ms for eyes. As creative or interesting as your first birthday cake is, it's not complete without a big overlay. [Read: Baby Shower Decoration Ideas] First birthday cake ToppersBirthday cake toppers enhance the cake and be attractive and attractive. You could choose your child's favorite cartoon character or play for a topper. You can go for either edible or plastic topper. Here are some cake topper ideas for you: Banner name: This topper reveals the name of the birthday baby, and if your cake is big enough you can have the banner Happy Birthday too. You can also choose the word one as it is the first birthday. Number of topper: Fondant in the shape of number 1 - you can go for ruffles or ombre for the topper. Princess Cake Topper: the topper goes well with the princess cake. A beautiful crown on top of the cake is all you need to complete the princess cake. Cherry Happy Birthday and Topper Cake Stars: An edible cake topper, which is simple and beautiful and easy to slip into the cake. Baby with a bottle / pacifier: A baby with a bottle / pacifier in her mouth sitting on a base can suitable topper for the first birthday. Choose pink or blue color depending on your baby's gender. Animal Farm Toppers: You can have a pack of all farm animals: sheep, horses, cows, pigs, and goats. Just stick them in a circle, with one in the center. Grey & Blue Elephant Topper: This edible grey and blue fondant cherry topper goes well with both elephant blue or any animal themed cake. [Read: Best Places to Order Custom Cake] Whichever cake and topper you choose, just make sure you go all out to decorate it and look attractive. Make it one that your child absolutely loves. Besides, it's his first birthday. And needless to say, the taste of the cake should match its appearance. Do you have any cake ideas to share? Let us know by commenting below.
