NEW EXPERIENCE MMORPG IN 2019! Lunar destiny is the western fantasy of MMORPG with graphics in anime style. There are a variety of jails, a huge world to explore, endless fighting and much more to explore that you shouldn't miss. [Synopsis of moon's destiny] In a time of chaos in the early years of creation, a giant was born that could tear apart the chaos. He then turned his body into elements that created the world and his heart into a tree called Yggdrasil, which supports everyone in this country. He also created Lynes, god of light and dark God, Dax. This newborn world is named as Land of Origin and this history is known as the Legend of Genesis. With the passage of time, the wars between the gods were in a while. One day, the last war came out, and Yggdrasil was destroyed by the fall of the land of origin. To save and clean up the world, the gods sacrificed and resurrected Yggdrasil while agreeing to a truce. With the fruit of Yggdrasil, they created their race with an image of themselves in order to protect the new Yggdrasil, the fallen old- Yggdrasil was used to create eight dragons and a new world – Alania is born with a history known as Ragnarok.Thousands of years have passed, gods falling asleep and people waking up. Man built the kingdom of Angelia, and magic became their faith. Those who had magic lost their lives, and the voices of protest rose one by one. In the end, the kingdom was burning in a fire of war. A few thousand years later, the power of the devil rose and awakened a speck of darkness as well as a long-drawn war. The old heroes are gone, this country is in a new era about heroes! And you're the savior of this! [Game Features]★ Graphics and HD Audio We provide high quality Graphics and HD Audio in order to provide an amazing experience for our player during the game.
