The aim of the game is to fill the cups of each level with freehand touchscreen drawings. The reward system in Happy Glass depends on how much of the pen tool you want to use. The total amount of ink remaining appears on the bar at the top of the screen. No more than three stars means that you used just the right amount of ink and managed to fill the glass at that level. If you get stuck in the game at any chance, check out the video review for the 111th level with a three-star safety: Continue to Happy Glass Level 112 Walkthrough (3 Stars).
