Went here on a Wednesday night to celebrate our anniversary. Unlike most high-end steak places, they do nothing at all to appreciate the occasion. We had asked for a nice table, but since everyone goes there for the view, they do not store nice tables. We... were led to a small table at the back of the restaurant near the open door to the terrace in the worst position to see anything at all. We were able to change the table and climb onto the terrace, which was ok, but disappointed at the beginning of the evening. We ordered both steaks. We get the medium well, which we know is a great sin, but when you order medium, they usually come medium, which is fine. These came out pretty raw in the middle. So we reluctantly sent them back for re-cooking. Of course, they did not offer to remake the sides that were guaranteed to be cold in the cool night air when the steaks came back. When they returned, they were hammered. Even our waiter could see that they were well overcooked. We were ready to leave at this pint and planned to go in n out or something. The manager came buy and insisted that they cook new steaks. He said he had 30 years of experience in steakhouses and would guarantee they would be done right. Well, they weren't. Both came back well done ++. It was clear to us, the waiter and the manager that they were inedible. So we left and had a terrible evening in Castaway. At least the manager compensated for the food we didn't eat. He gave us his card and asked us to try it again. There is no way I would ever go back, not for nothing.
