Jump into multiple levels inspired by classic NES tank games from the comfort of your PC. Download, play and share fantastic desktop PC-ported super tank - Battle City 1990 game with your friends and family. Reinvent for a classic game The game comes with all the classic elements seen from the original NES game of the same title. An example stage/level introduction is music that has been one of the distinguishing elements of the iconic Battle City game. Also there are various tank models that come with the classic environmental model shown in both the classic and handheld versions of the game. Note that this version follows the same format as the 1991 Gameboy version of the game. This means that the game comes with 100 levels, which is 65 more than the original NES version. Immersive and Challenging Super Tanks - Battle City 1990 GameSuper Tank - Battle City 1990 comes with the same level-based difficulty mechanics seen in the original game. What makes it different is the placement of levels or simply ordering the hierarchy of each level. This means players will have a chance to face difficult enemies at the earlier level of the game. The game features random placement of levels without morphing the power of enemies. To balance this plan, players have access to a Level-2 tank with a floating gradient at the beginning of each level. The game also adds a power-up that will instantly upgrade the player's tank to the maximum level. Unlocked Levelsuper Tank - Battle City 1990 is ready for unlock and exploration with all 100 levels. This arcade-like presentation makes the game perfect for short breaks or boring afternoons. Players can browse and click any level to start the game. Download and share this fantastic nostalgic game by following the instructions on your screen today. Relive your childhood with more classic casual games like Groove Coaster 2 and Gem fever. Fever.
