Download Guess Emoji - Movies Edition: Guess Emoji Movies Answer Level 1 Guess Emoji Movies Level 1 Responses for iphone, ipad, ipod and android. Answer: spiderman Answer: harry potter Answer: star wars Answer: twilight answer: hunger games Answer: wedding crashers Answer: back to the future Answer: pus in boots Answer: notebook Answer: james bondSelect Levels Guess Emoji Answers and Cheats for all new levels of emoji trivia game. Turn this game for iPhone, iPod, iPad and Android. UPDATED September 2014! We all have Guess the Emoji answers for you! This new hot app game is going to test how well you can communicate in just emojis! You will be given a variety of different emojis and you need to try to figure out what they are trying to convey! Each level contains a set of between one and four emoji. When taken as a whole, they represent a word, phrase, name, or idea. The answer can be a movie, name, food, character, sport or something! Use your amazing subtitles/emoji communication skills and put them to the test! For cheats to guess the Emoji movies, check out our Guess emoji movies ansvers. >> Go to Guess Emoji Update Level 101-120 << Guess emoji answers all levels: Level 1-10 Level 11-20 Level 21-30 Level 31-40 Level 41-50 Level 51-60 If you don't know what emojis are, you're about to find out. Do you remember smiles? Well, they're not cool anymore. The wave of the future is here, and it consists of emojis. These are small icons of everything under the sun. There are emojis of puppies, clouds, fire and so much more! Many have even started having conversations entirely with emojis. That's how versatile they are! Don't you think that's possible? Our Guess emoji answers are about to prove you wrong. Level 61-70 Level 71-80 There are ten emojis in each conversion level, LLC's Game Guess Emoji. At the time of writing, there are 100 levels. This means there are over 1,000 emojis! And now you and all your friends can test how well you know emojis. This app game is available on all iOS devices and Android. That literally means every smartphone under the sun can play Guess Emoji and tablets too! There is no excuse not to play! It also has built-in options to share your gameplay on Facebook. What makes this game even more challenging is they really do not give so many hints! You're really alone to find out how these emoji work. What are they trying to tell you? They don't even tell you what the category is! It's quite a crapshoot. You can beat multiple levels in a row, but then get completely stumped for the next three. Levels 81-90 Levels 91-100 Levels 101-110 Levels 111-120 If you get stuck, there are a few things you can do. First of all, do not panic. (Do you have the towel?) It will only make you second-guess your own brilliance and it won't help anyone. Just stay calm and remember that it's just a game and you're smarter than any stupid app! Always remember that you can use coins in the game to get a hint at all levels. 15 coins will reveal a letter or get rid of all unnecessary letters. 30 coins will jump over a level altogether. Skipping a level is definitely cowardly way out, though. When you have a resource like our Guess the Emoji answer at your disposal, there is no excuse for skipping a single phrase! You can also ask your friends for help over social media. Just tap The Icons for Twitter, Facebook or text messages. (Be careful not to bother your friends too much. You may end up with fewer people hanging out with IRL. Besides, they've already set up with all the junk you put up on your profile. Also, be careful if you're using a limited data or text message plan from your phone provider.) But what if you feel impatient and don't want to buy coins? In-app purchases are so last month! Besides, who has the money to drop on games like these? If we just summed up your inner monologue, you've come to the right place for sure. Here you will find all guess the Emoji answers to each answer. You can use our search feature with keywords that will help you find exactly the level you're stuck at! Reviewed by: Samantha Zerman | Guess the emoji | Rating: 5 Page 2Guess Emoji answers and cheats for levels 1-10! Use these answers to get past the hardest levels in the game. You can play this emoji trivia game for free on iPhone, iPod, iPad, and Android. Just guess the expression that the combination of emoticons on the screen represents. If you need help beating a level of the game, we all have Guess Emoji answers and cheats you need! Guess Emoji Levels 1-10: Level 1 Response Level 2 Response Level 3 Response Level 4 Responses Level 5 Response Level 6 Response Level 7 Responses Level 8 Response Level 9 Response Level 9 Responses Level 10 Responses If you love to play Guess Emoji, there are many other similar games you should try. Emoji Pop and Movies Emoji Pop were some of the first of its kind in this genre of mobile games. Emojis are smiles and other cute icons that you can use in your text messages. They can convey different emotions and messages in modern communication. After playing this amazing image trivia game, you can have a whole conversation in only emoticons! When you start the game, you will be shown a handful of emoji images and a bank of letters. From there it will be your job to connect emojis to try to figure out what the icons are trying to convey. For every correct answer you deliver, you will receive more coins. The levels are difficult, so you have to dig deep down to come up with the answer. Fortunately, the game will give you some hints in the game to help you get through the level. For example, you can reveal a letter to your mystery. You can also remove letters from the word bank. Damn, you can even skip the level together. But these hints will be limited as you use more and more coins. Therefore, it will be in your best interest for all our answers and cheats. This page will bring all the answers and cheats to level 1, level 2, level 3, level 4, level 5, level 6, level 7, level 8, level 9 and level 10 of guess emoji game. Just click on the level above that you need help to solve and become an emoji master! Guess Emoji is a unique word guessing game of developed Random Logic Games LLC and available on the App Store and Play Store. You will be shown two or more emojis that describe an expression, words, say etc. Your task is to find the hidden meaning behind the emoji by picking the letters from the screen and building the word(s) that the emoticons describe. Guess Emoji is a child and family friendly game that will train your logic and reasoning skills. Keep in mind that this game can show different level numbers for you as it randomizes the levels. If so, visit our guide Guess Emoji answers and search for the level you are looking for. The current level tab appears above the emoji; use this category name to scroll through the answers.
