A post means all information such as posts, photos, photos, music selection lists, various files and links, and various comments posted by the member of the service. Says. 10. A gift certificate means a paid service voucher issued by the Company online or offline, and the method of use is specified separately in a gift voucher or instruction page. (2) The other terms set forth in this article will be performed as defined in applicable laws and services and in service-specific guidance. Section 3 [Providing identity information, etc.] The Company will publish the contents of these Terms and Conditions, name, representative name, business place address (including the address of where consumer complaints can be handled), telephone number, email address, business registration number, communication sales business report number, and personal information manager on the first page of the service, so that users can easily know. However, the Terms and Conditions and Privacy Policy may allow users to view them through the connection page. Section 4 [Publication of the Terms and Conditions, etc.] (1) The Company will take technical measures to ensure that the User can print all of these Terms and Conditions and confirm the content of the Terms and Conditions during the Use Process. (2) The Company installs a technical standard so that the user can query and respond to the Company's content and these Terms and Conditions. Article 5 [Impact and Amendment of the Terms and Conditions] (1) The content of these Terms and Conditions shall be in force when the Member agrees to content posted or announced at the time of membership. (2) The Company will comply with the Content Industry Promotion Law, the Terms and Conditions Regulation Act and work to promote the use of information and communications in the network and information protection, Etc., these Terms and Conditions may be amended if necessary to the extent that they do not violate the applicable laws and regulations, such as the Consumer Protection Law in e-commerce, etc., and if the terms and conditions change, the applicable date and the revised date will be specified on the initial surface of the Service with the current terms and conditions for a considerable period prior to the date of the request (30 days prior to the member's negative changes or significant changes in matters) will be sent to the e-mail address of the amended terms, the date of the request and the purpose of the change (including a description of the important content if any), and will confirm whether the Member agrees to the implementation of the revised Terms and Conditions during the period., (3) Although the Company has announced that it will express its will if it does not indicate a refusal during the period described in Paragraph (2), if the Member does not expressly express his refusal, the Member agrees to the amended terms and conditions. (4) The Company does not apply the Terms and Conditions to the Member who does not agree to these Terms and Conditions, and the Member suspends the use of the Service. You can rule it out. In addition, the Company may terminate the Use Contract if there are special circumstances under which the existing terms and conditions cannot be applied. Section 6 [Interpretation of Terms and Conditions and Provisions of Matters other than Terms and Conditions] Matters not specified in these Terms and Conditions shall be governed by applicable laws and service usage policies set forth by the Company, such as the Content Industry Promotion Act, the Basic Electronics and Electronic Transactions Act, the Consumer Protection Law in e-commerce, the Law for The Regulation of Terms and Conditions, and user protection guidelines for content. Chapter 2 Of The Section 7 Service Use Agreement [Request for Use, Approval and Refusal, Contract Determination] (1) The user who wants to be a member agrees to the content of the Terms and Conditions, and after applying for membership, the Company approves this request and completes the Use Contract. (2) The user who is satisfied to be a member will complete and submit the information required by the Company accurately with the consent of these Terms and Conditions. (3) The Company may refuse to apply for membership if there is a reason appropriate for any of the following actions. 1. If user registration is missing or applied by reaches 2. Those who are not trained as members and whose subscription period has not passed as determined by the Company3. If a person under the age of 14 does not obtain the consent of his legal representatives, (4) the Company is entitled to retain or refuse approval of the application to companies if there is no room for facilities related to the service or if there are technical or business issues. (5) The Company reserves or refuses to apply for membership in accordance with paragraphs (3) or (4), the Company will notify the applicant immediately. However, this is not the case if the company cannot notify the applicant without any reason or negligence. (6) The Company is entitled to impose restrictions on age and rating in accordance with the provisions of the Law for the Advancement of Information and Communications in the Network and the Protection of Information, the Childhood Protection and Act to promote films and videos, and to comply with separate certification procedures for adults. Section 8 [Special Rules for Companies' minors under the age of 14] (1) Users under the age of 14 will fully understand the purpose of collecting and using personal information and will apply to a member subscription and provide their own personal information after receiving the consent of legal representatives such as parents. (2) The Company cancels or unsubscribes from users under the age of 14 who were not under the procedure of approving the consent of legal representatives such as parents. Legal representatives such as parents of users under the age of 14 may request access, amendment or renewal of personal information about minors or withdraw their consent to join a member, in which case the company will take the necessary steps without delay. Section 9 [Repair and management of member information] (1) A member may view and modify personal information at any time using the Member Information Confirmation screen, where the real name, ID, etc. necessary to manage a service cannot be changed. (2) If the member changes the information specified when submitting the statute of limitations to the companies, he/she will change the member's information directly by changing it. (3) The Company is not responsible for the disadvantages caused by the Member and does not change the Member's details in accordance with Paragraph (2). (4) The Member is responsible for managing his or her ID and password, and nothing to use with a third party (5) The Company may restrict the use of the ID if the member's ID is concerned about the personal information extracted, antisocial acts and beauty and kindness, or if it is used by the operator of the company and the company. (6) The Member shall notify the Company without delay when he/she does not know that his or her ID has been stolen or used by a third party, and the Company will not be liable for the consequences of failure to comply with the Company's policies, even if he/she is not notified or notified. Section 10 [Member Notice] (1) The Company notifies a member via e-mail, text message, service notice, etc. and other legitimate electronic means (2) The Company may enter the notice in Paragraph 1 by posting it on the service home page for a period of more than 10 days or by displaying a pop-up screen. However, any changes to the Terms and Conditions under Section 5 or important matters relating to the member person will be notified as set forth in Section 1. Section 11 [withdrawal of a member and loss of qualifications, etc.] (1) The Member is entitled to ask the Company to withdraw at any time, and the Company will immediately process the request to withdraw the member. (2) If the Member is suitable for the following reasons, the Company may restrict or suspend membership of the Member. In this case, the company will notify a friend of the cause. 1. When applying for membership or applying for or modifying the use of the Content, write false information 2. 3. If a member who does not have the service history for one year after registering for membership or after the end date of use is asked to request an intention to use the Service, and the member is not complied with within the deadline set by the Company3. 4. When another person threatens the order of e-commerce, such as interfering

with the use of the Company's services or stealing the information. Use, transmit, or publish information (such as computer programs) prohibited by company 5. Infringement of intellectual property rights, such as copyrights of the Company or third parties 6. Acts of interest to the dignity of the company or third party or interfering with business 7. 8. When using the Company to commit acts prohibited by these laws or conditions or contrary to public order and order. Avoiding or disabling the company's technical safeguards 9. Use the services provided by the company differently than usual or unfairly 10. The company may lose its member's accreditation if the same act is repeated more than two times or if the cause is not corrected within 30 days after the company has restricted or suspended a member's accreditation for exceptional service abuse for business interference by the company. (4) In the event that the Company loses its member certification, registering a member will be sonar. In this case, the member will be notified, and the company will immediately regain the member's qualifications if the content is justified, and the member will be notified at least 30 days before the member's registration is terminated. However, if the company does not absorb during the application period, it will be deemed to have consented to the membership registration. (5) The Company will destroy the Member's personal information in accordance with the scope and procedures set forth in the relevant laws and regulations, such as the Law for the Advancement of Information and Communications on the Network and the Protection of Information, etc. in the event that the Member retires or loses his membership. (6) In order to protect the personal information of the member who has not used the Service for one year, the Company stores and manages the other member's personal information separately, but if the member wishes to re-use the Service, he or she can re-use it through the member's identity identification procedure. Section 12 [Protecting Personal Information] The Company will take action to protect the member's personal information, including member registration information, in accordance with applicable laws and regulations. With regard to the protection of the Member's personal information, it will be in accordance with applicable laws and regulations and the personal information processing policy as set forth by the Company. However, in addition to the company's website, a simple link site, in such cases, the Company's personal information processing policy will not apply. Chapter 3 Use of the Section 13 Service [Beginning of Use of the Service] (1) The Company initializes the Service from time to time that the Member approves the Application for Use. However, for paid services, you can use it after payment is complete. (2) If the service is not disclosed due to a business or technical malfunction of the Company, the Company will notify the Site or notify the Member. (3) The minimum technical information required to use the service is shown in the following table. However, for mobile applications, this may vary depending on the policies of any mobile operating system (Android, iOS, Windows Mobile, etc.). View and select the Content 3 list. Approval of the content related to the actions taken by the Company for content that cannot be agreed upon to 4. Approval of the request for use of content or consent to the approval of Company 5. Select a payment method (3) A member can use a paid service as a payment method defined by a company, and the service cannot be used for a fee through a coupon issued through various promotions or events or a gift certificate issued by the Company. (4) Detailed terms and conditions for paid service will be placed on the product training and procurement page and on the product locker page. (5) The Company may not obtain or retain approval if a member's request to use the paid service is in one of the following cases. 1. If you do not provide false information or the required information presented by the Company 2. If a minor wants to use content prohibited by the Youth Protection Act 3. If there is no room for service-related facilities, or if there are technical or business issues, (6) The Company's approval will be sent in the form of a confirmation of receipt of Paragraph 10 Section 1, including information about whether the Member can approve the application for use and provide the service, amendment or cancellation of the request for use, etc., and the paid service usage contract is determined upon arrival, and (7) the time provided by the Company may vary depending on the availability of each person from music rights. (8) The Company does not charge the fee according to the amount of data when using the paid service wirelessly, and the mobile provider registered by the member will charge. (9) Some paid services may not be replicated. (10) In the case of certain sound sources, the amount of use of the sound source (or the number of songs to be deducted) may vary or be sold in a single voice source unit at the request of the correct person. Section 15 [Music Listening Products] Products for listening to music after payment, From the start date of use, listening to music provided by the service, you can use music display services such as unlimited clips for a certain period of time, the number of moves set for a certain period of time from the beginning of use, the number of moves, the video music, etc., and the music provided through this product will be divided into a refundable form in which the amount of song will be charged for a certain period of time, and the music provided through that product will not be stored on a member's device. Section 16 [Download Products, Song Downloads] (1) Downloading Products means services that members may download and use at a certain price for files that are or are not under the Digital Right Management (DRM) application provided by the Company. (2) After payment, the download product is divided into a period of time when music files can be downloaded for a certain amount from the start date of use, and individual types that can download a single song, and in the case of a period of time, the amount of unused download will not be reversed within that period. (3) Songs purchased using period type and single download can be archived and re-downloaded from the date of purchase on a particular page that can be viewed within the service. However, if requested by the rights company, the retention period and the re-download period for some of the songs purchased will be limited to one year or period in which they will be automatically deleted and not restored. However, in the case of songs provided free of charge by the event, it is possible to re-charge for a period during the time period during which the company is 100. (4) If you leave a friend, you will not be allowed to return to decline. (5) The service can be used after registering the device, and there are a total of 5 logging devices, including 3 PCs and 2 other devices, including mobile phones and tablets. However, some download-only vouchers may limit the type and number of devices that can be registered, which will be published and guided on the voucher's purchase page. If you change the registered computer, you can only change one computer once a month. (6) There may be songs that cannot be downloaded and transmitted at the request of some rights-reserved parties, and even if you are using the downloaded product, some songs may only be downloaded as transferable files from the support device you own. (7) In the case of individually downloaded products, it can be sold in packages such as video files and image files, in which case the price of the product and the available device can differ. Section 17 [Term Rental Download Product] (1) A term rental download product means a service that can download music files implemented by DRM and use them for playback only for a certain period of time. (2) Music files downloaded during product use are available only in smartphone apps and long-term rental support devices (intellectual property protection), and activation time is limited to a period of product use. (3) The number of devices available with one ID is limited to 2 per month when downloading, and the download function to the computer is not supported. Section 18 [Composite Product] (1) A composite product is a product in the form of a combination of product term formulation and music reduction and download of a product (NON-DRM) period type or large download product over a period. (2) The method of using the complex product is the same as the term formulation of a section 15 music reduction product, the section 16 term model of the product you downloaded and the large download product of Section 17. Section 19 [Warranty of Use Period for Goods] (1) The Member may commit to using any Product for a certain period of time with respect to the Products in Sections 15 through 18. (3) If the Member terminates the Use Contract due to circumstances during the term of the contract, a discount refund determined by the Company may be paid. Section 20 [Digital Right Management (DRM) Coverage] (1) Files implemented in Drm purchased as downloadable and leased products can be played back and downloaded repeatedly during the product usage period. (2) The right to use a DRM file cannot be transferred to another person. (3) Files purchased and downloaded using standard methods may vary depending on the characteristics of the device such as computer, mobile phone, or other player. (4) Drm-free files can be played without a period of time on all devices, but some DRM-covered files can only be downloaded and used on DRM-enabled devices (company-supported DRM-enabled devices). (5) Downloading and playing files applied by DRM may be limited if a mobile call service is not provided. Section 21 [Change and Stop Service] (1) The Company may modify all or part of the Service, such as the content, method of use and scope of supporting equipment, to the extent that it does not violate relevant laws and regulations, if there is a significant operational, legal or technical reason. (2) In the event of paragraph (1), the Company shall notify the Member of the Content of the Service to be changed and the delivery date in Section 5, and provide a service that may be returned or converted to other products of the Member's choice. (3) The Company is entitled to change or discontinue the entire service provided free of charge by the Company's policies and operations, and will not pay any compensation to the Member. (4) The Company may temporarily restrict or suspend the entire service or part therein in the event of one of the following reasons, in which case the Company may inform the Member in advance or, if it becomes difficult to provide information in advance, the Company may provide an autopsy. 1. Inevitable cases due to construction such as maintenance of facilities for service 2. 3. If necessary for ongoing inspections, service upgrades and site maintenance. In the event of a power outage, failure of all facilities, or a heavy increase in usage, etc., there is a failure to use the standard service 4. If there are other force majeure reasons such as natural changes or national problems, section 22 [payment method, etc.] (1) the payment method that the member can use for payment is as follows, and a paid service that can be paid for any payment method may be limited. 1. Prepaid cards, debit cards, credit cards, etc. 2. Phone or mobile phone charges a total of 3. Various account transfers such as telephone banking and internet banking 4. Electronic Money 5. Gift certificates or points issued by the company which enter into a contract with 6. Ginnickash 7. Payments made by other electronic payment methods, etc. 8. Mobile phone microtrans payment method 9. In addition to The Gini Cash, the payment method by paragraph (2) (1), such as mileage or points issued by the company, depends on the nature of the product In this case, the Company will proceed with consent and procedures in accordance with the laws and regulations relevant to the Member. (3) In the case of Ginny Cash of the payment method in paragraph (1), the person will be charged separately when billing and other payment methods. (4) Due to the company's circumstances, certain payment instructions may be added or the service terminated. (5) In case of payment of a point, which can be used in addition to the payment method, the offer period and method may vary depending on the company's circumstances. (6) In the case of a paid product with periodic payment by paying mobile phone microtrans in paragraph (1) (8), the regular payment will not be saved if the carrier changes due to the number change. However, if the member agrees in advance that the periodic payment through payment of mobile phone microtrans is maintained despite the change of provider, and if a member agrees to the small payment terms of the mobile phone, etc., the company may check the cellular operator's change path and maintain the periodic payment through payment of mobile phone microtrans. Section 23 [Ginny Cash Loading and Expiration Date] (1) The Member will pay the debit fee using the payment method specified by the Company when charging Ginny Cash. (2) The Company has no obligation to pay monetary interest on the member's Ginny Cash. (3) You will not be charged or will use GenieCash only once for 5 years after the last day of use of GenieCash, the genie bag charged to a member will be automatically destroyed, and if there is additional charge or use of GenieCash, it will be valid again for 5 years from that date. However, GenieCash provided by the event will be automatically destroyed in accordance with company policy. (4) The Member is not allowed to transfer the Giannakesh to another person or transfer it from another person. (5) You cannot use a paid service only by charging a Gini Cash, and you must purchase it as a payment method defined by a Genie Cash or a company to use a paid service. (6) The validity period of products registered in the product locker is 60 days from you purchase or payment, and products not used under the expiration date will be automatically converted to a Gini cache. However, for free event products, they will not be converted to GenieCash. Section 24 [Content Publishing, etc.] The Company displays the following items easily to understand on the initial screen or on the usage screen, depending on the content characteristics. 1. Name or number two. Create and view content on the 3rd of the year. The name of the creator of content (if it is a legal entity, the name of the corporation) 4. Other Terms of Use, such as content usage method content, payments, refund terms, etc. Section 25 [Special Rules in contract for use by minors] A company takes steps to ensure that a minor or legal representative under the age of 19 obtains the consent of a legal representative such as a parent if he/she wants to use the paid service, or that the minor or his/her legal representative can cancel the contract if he/she does not receive a memorial service after the contract is signed. Section 26 [Confirmation of Receipt, Modification and Cancellation of Request for Use] (1) The Company will grant the Member a welcome certificate if there is a request for use by a member. (2) The member who received the receipt certificate is entitled to request to change or cancel the request immediately after receiving the receipt confirmation if there is a discrepancy in the notice of decision, and the company will process it immediately in accordance with the request if there is a request from the member before providing the paid service. However, if you have already paid, you will be required to do so in accordance with Section 35 of the provisions of Section 35 regarding transfer, etc. Section 27 [Service Hours] (1) Use of the Service is in principle 24 hours a day, 7 days a week. However, the service may be suspended for business or technical reasons of the Company, and the service may be suspended for operational purposes during the period determined by the Company. In such cases, the Company may notify the Company in advance if it is in principle or inevitable. (2) The Company may divide the Service into a specific range and set the available time for each range individually, or the time available for each service may be defined by company policy. Section 28 [Use and Storage of Services] (1) The Company may have separate management policies such as posts in addition to these Terms and Conditions upon use of the Service, through which the maximum number of days and capacity held by the Service, the maximum disk space allocated to the Service Server and the maximum number (maximum period) that can be accessed to the Service for a specified period of time. (2) Not only is the Company's policy, the Company is not responsible for the failure to delete or store posts or other content stored on the Service in accordance with paragraph policy (1) without the Company's responsibility. (3) The Company will provide the Service in accordance with these Terms and Conditions to the Republic of Korea. Be. Section 29 [Providing Information and Advertisements] (1) The Company may publish the necessary information in connection with the member's use of the Service on the Service's home page or provide it by mail, e-mail and application, SMS, MMS, etc. However, if the member does not wish to provide information, the member is not included in the information provider, and The Company is not responsible for the shortcomings caused by the failure to provide him or her with the information. (2) The Company will provide promotional information in the same manner as Paragraph (1) only if a member has a duty under the laws and regulations, or if the Member expressly agrees, there is no restriction on the use of the Service even if the Member does not agree to the provision of the Company's advertising information in accordance with this paragraph. (3) The Company shall not be liable for any problems arising from the member's use of a third-party service through advertising. Chapter 4 Obligations of Contracting Parties Section 30 [Company Obligations] (1) The Company protects the member's personal information and provides a security system to provide a security environment for a member to use the Service safely. (2) As part of paragraph (1), the Company may create and use statistics about each member's personal information or part without the member's prior consent in connection with the work, for which cookies may be transmitted to the member's computer. In this case, the member may change the browser settings on the computer used to refuse cookies or to warn them against accepting cookies. (3) The Company will process complaints from members related to the Service as soon as possible, and if it has difficulty processing them as soon as possible, the Company will publish the reason and processing schedule on the service screen or notify the member via e-mail, etc. (4) The Company complies with laws and regulations related to the operation and maintenance of the Service, such as the Information Promotion and Protection of Information Act, the Communications Secrets Protection Act, and the Communications Business Act. Section 31 [Member Duty] (1) The Member shall not do any of the following: 1. To apply for use and receive services, fill out the required information on the registration form on behalf of a false person or other person, or steal or use another member's ID and password 2. Information obtained through the company's service information Reproduction, distribution or commercial use without prior consent 3. Acts put harm or harm the dignity of others 4. Published, exposed, or linked to (linked) obscene sites 5. Acts that violate other rights, such as the company's intellectual property rights and third parties 6. Information, sentences, forms and voices that violate public order and public order 7. Registration or proliferation of computer virus infection data that causes destruction and confusion, such as operation or information of facilities related to Service 8. Transmit information that may interfere with the method or interfere with the stable operation of the service and publish information against the wishes of Recipient 9. Business activity and hacking to sell goods through the service, advertising for profit, commercial activities through obscene websites, illegal use of commercial software, except as officially recognized by company 10. Posting, posting, e-mail, or other means of sending or exposing content is not required by law or contract or by assignment 11. Talk to or harass others or collect or store personal information about other members 12. Other unlawful or unjust acts (2) The Member will comply with the applicable laws and regulations, the provisions of these Terms of Use, the provisions of use, the precautions provided in the Service and matters claimed by the Company, and will not interfere with the company's work. (3) In the event of a breach of this article by the Member, the Company may suspend or terminate the Member's account and refuses to use the Entire Service or in part now or in the future. In addition, the Company shall not be liable for any legal action, such as restraint by the Member or other agencies caused by violation of this Section, and the Member shall be liable for damages to the Company in the event of damages to the Company in connection with such acts. Section 32 [Intellectual Property Rights] (1) Ownership of all materials published, disclosed and submitted to the Service (including delivery between the Member) shall be with the person or the person exposed, unless the Member and the Company are attributed otherwise. However, the company has post management policies, service oversight or laws such as the Information Promotion and Information Protection Act, the Childhood Protection Act and the Copyright Act for a period of time. You can delete published content without the consent of the public or publisher. (2) If the Member terminates the Use Contract or the Use Contract terminates for a legal reason, the Member's rights belong to the Company. (3) The Member is deemed to grant the Company the right to be independent and re-commission for materials published or submitted publicly on the Service unless otherwise specified in the provisions of applicable laws and regulations. (4) The Member shall not use the data published on the Service for commercial purposes, such as processing or selling information obtained through the Service, or allowing a third party to use it, and the copyright of goods or public posts is subject to applicable laws and regulations. (5) The Member agrees to indemnification of the Company and its officials and to prevent harm in the event of an intellectual property dispute due to the contents of the Member. (6) Software related to the Service or Service is protected by relevant intellectual property rights and other laws, and the content contained in sponsored advertisements or information provided to members through this Service or advertisers is protected by various intellectual property laws such as copyrights, trademarks and patents. (7) The Member will not copy, modify, create, reverse engineer, reverse assemble or attempt to disclose the source code, define sales, transfer, relicens, ancillary rights or assign any rights in the Software, nor will the Member allow a third party to do the above. Section 33 [Post Management] (1) The Company may delete, transfer or refuse to register any notice or material consistent with Section 31 paragraph 1 without prior information, and the Company will not be liable. In addition, depending on the quantity and nature of the post, you may want to limit the use of the service or member status. (2) The Company will immediately delete any harmful youth communications that violate the Law for the Advancement of Information and Protection of Information on the Network and the Protection of Information on the Bulletin Board. However, the exception is the bulletin board, which can only be used by users over the age of 19. (3) A person who has violated his legal interests due to information posted on message boards operated by the Company may ask the Company to delete the information or publish the re breach. In this case, the company will take the necessary steps without delay and To let you know. (4) The Company may separately implement detailed instructions for use related to the Post, and the Member shall register or delete any type of post (including delivery between the Member) in accordance with the instructions. (5) The post published by the Member is not automatically deleted, so if you want to delete it, you must delete it before withdrawing, and the Company may delete or separately manage a member's posts if a member terminates the Usage Contract or the Usage Contract ends for a legal reason. (6) A member's post includes content that violates relevant laws and regulations such as the Information Promotion and Communications Use and Information Protection Act, etc., the owner may ask the Company to suspend or delete the post in accordance with the procedures set forth in the relevant laws and regulations, and the Company will take steps in accordance with applicable laws and regulations. Chapter 5 Termination of Contract and Other Section 34 [Termination and Termination of Use of Paid Services] (1) Members who have purchased the Paid Service regarding the use of the Company and content may withdraw their subscription within 7 days of purchase date. However, a member's right to withdraw their offer may be limited if one of the following is available: 1. If the company includes facts about content that cannot be withdrawn from the offer in View 2. If the company provides a used product 3. If the company provides methods such as single-bi-double or part-time use 4. When the suggestion of content is initialization. However, in the case of a contract consisting of content, the provision is not limited to the part where the offer is not initiated (2) The member may cancel or terminate the purchase of the paid service within three months or within 30 days of the content from the date on which the content was provided or the date on which it was disclosed. 1. If the content submitted in the usage contract is not provided 2. If the content provided is different or different from the view, advertisement, etc. 3.
