## Brick breaker classic block mod apk

Arcade Andro-Mod » Games » Mod » Bricks Breaker Quest (MOD, Unlimited Money) Brick Breaker Quest – a modern arkanoid that offers to break colorful blocks that appear on the playground using a special set of balls. The goal is to hold until a few blocks remain on the screen, and there are not enough points on the account to get in the rankings. Despite familiar ideas and mechanics for Brick Breaker Quest, the puzzle allows you to dive into the trance thanks to meditative gameplay. The blocks appeared on the playing field, but the balls began to move around the screen, pushing off the walls, bringing bonuses and exploding with special effects. It's impossible to be confused. And by a by passing level, the only desire is to move on to the next one.
