In both floaty and simple designs, its natural textures give the rooms a spacious and spacious air. For high-traffic areas, go for a pure or mixed wool model, while handmade Ashtanga and Hatha carpets offer some luxury. Herringope and grosgrain weavers are unique and contemporary: find them in fresh tones for an understated finish. Back to top button An icon with an up arrow inside a circle page 2 Page 3Hide out of stock itemsE product code: 62987318 This loop carpet is made of 100% wool and has a 3 ply loop build to give more durability, receiving a strong domestic wear rating. Along with neutral color palette and hard makeup, the carpet is suitable for all different areas of the home. This carpet is made of 100% natural fibers. The advantages of the wool carpet are: It feels soft underfoot - ideal for a living environment Easy to clean high level of durability and resilience - it looks and feels good for good thermal insulation longer - helps retain heat in the home This carpet has a loop stack construction. The stack of loops is cozy and practical, but should not be used in houses with pets, as loops can be caught in the pets' clutches. This carpet is designed for heavy domestic use making it ideal for living rooms, dining rooms and lounges. Once you have chosen your carpet, our estimation and assembly services can help you determine how much carpet carpet you'll need for your room. The cost of carpet adjustment has been calculated using John Lewis && Partners Crumb Underlay and it's an indication only. A precise appointment will be created by a John Lewis estimator & Partners once you have created a free home quote/estimate. This cost does not include any additional add-ons or services (e.g. mobile furniture; elevation or layout of the existing carpet; door relaxation) Carpet cost per square metre of 12 square metres (3m x 4m) -Small room of 16 square metres (4m x 4m) -Average room of 20 square metres (5m x 4m) -Large room E10 E341 E423 E514 E20 E461 E583 E714 E30 E581 E743 E914 E40 701 E903 E1.114 E50 E821 E9 E1.314 E60 E941 E1.223 E1.514 E70 E1.061 E1.383 E1.714 E1.183 E1.543 E1.914 E90 E90 E1.301 E1.703 E2.114 E100 E1.421 E1.863 E2.314 Mark John Lewis & Partners Country of Origin Netherlands Grading A rough indication of the level of domestic wear on the carpet is designed to withstand. Rooms with the greatest fall (especially when wearing shoes) will benefit from a heavy domestic wear superior grade carpet Material 100% Wool Pile Weight Traditionally measured in ounces per square yard, this weight indicates the quality of a carpet. The heavier the weight, the harder the carpet. 33oz Ply 3 Style Tog Plan A tog rating measures thermal insulation. Note that a higher tog score isn't always better for all occasions and seasons – in the warmer weather you might want a lower 1.5 Type Loop rating When you're part of it, put your heart on it. At John Lewis && Partners, we are more than employees, we own. That's why we all call it Partners.And that's why we all go further to offer quality products and exceptional service to the people who matter most: you, our customers. Because for us, it's personal. More from John Lewis && Partners When you are part of it, put your heart into it. At John Lewis && Partners, we are more than employees, we own. That's why we all call it Partners. And that's why we all go further to offer quality products and exceptional service to the people who matter most: you, our customers. Because for us, it's personal. More from John Lewis && Partners Your carpet order will be completed by your local rug and joined bed shop who will be in touch shortly after your order has been confirmed to go through the next steps. If you want your new carpet to be equipped, this can be added to your order in your basket. Your pavement will be cut to suit the specifications of your order, so it will not be covered by the contracts 14 days of cooling of the period. We recommend that you use our free metering and estimation service to ensure that your room measures are as accurate as possible. If you have requested your pavement recently and your collection/delivery/assembly date has not yet been arranged, we may be able to stop your processing until after being measured by one of our expert team members. This does not affect your legal rights. More information in our Delivery and Returns section of the WebsitePlease Note, we can only offer an adjustment service 25 miles (40 km) away from our stores. Click here to use our store locator. Assembly prices are subject to a site survey, where an additional charge may be required to complete the order. Please contact us for more information
