## Ice cream renaissance menu vancouver wa

Ice Cream Renaissance values having a fun team, creating great experiences for guests and delivering superior quality. We believe that great food has always been central to bringing communities together, and what better way to do it than with homemade ice cream. The ICR is a place where we strive to serve the community and ensure each of each person is cared for, played, created a memory, and has the best ice cream! When a guest goes into Ice Cream Renaissance and orders a dessert they not only get Vancouver's best dessert, but they can share a laugh with a friend, spend quality time with family, ask their lover to marry them, or take much-needed break from the world. We create each flavor in batches of 3 gallons with alpenrose dairy products without hormones. Because we care about our customers and the unique dietary needs of each of us, we do not add corn syrup to our ice cream and we have a choice of vegan and gluten free cream. We love where we live and we have some of the best fruit, and so we get our fruit from Willamette Valley Fruit Co. in Salem and our vanilla from Singing Dog in Eugene.
