Weibo A number of Google Pixel 4 apps that should debut on new phones are now available for download. If you've been following the madness of the Pixel 4 leak, you may have seen a lot of new developments after a website called Nexttrifl gained access to a preview of the Pixel 4 XL unit. The website (via 9to5Google) shared a number of Pixel 4 apps - the new Google Recorder app, the updated Pixel Launcher, the new Pixel Themes app, and several new Pixel 4 live wallpapers (via XDA). Now all these apps are available for download. Pixel Themes appGoogle is a new app Pixel Themes allows you to customize fonts, icon designs, color highlighting, and more on pixel 4 devices. While Google will possibly bring this app to all Pixel users in the future, now you can download it with apk 9to5Google was able to access it through a pre-release unit pixel 4 XL. Pixel Themes APK can be downloaded from the link to the button inserted below. You can go to the 9to5Google link above for full instructions on how to do this. Download Pixel Themes APKPixel Launcher A new set of Pixel 4 apps also includes Pixel Launcher. The only new change is the ability to swipe down to access the device notification bar. The APK for the pixel launcher has also been extracted from the preview pixel 4 XL and should work with any Pixel device. Download Pixel Launcher APKDownload Pixel 4 live wallpapersLoaded new live wallpapers on Pixel 4 have been revealed 9to5Google, a member of XDA Developers was able to edit the APK, so someone with Android 7 and above 64-bit device can download them. You can choose from wallpapers called Prickly, Deciduous, Rocky, and Sights from the Sun. There is also a Doodle wallpaper that allows you to move objects on the screen. Compass wallpaper allows you to select a place and compass then points to it. There are Living Universe set of wallpapers that now include locations in Saudi Arabia, Australia and Switzerland. Six of the nine Pixel 4 wallpapers also support dark system mode and darken in harmony. Download pixel 4 live wallpapers at the link below. Download Pixel 4 Wallpapgogoogle Voice RecorderOtent phones Google Pixel 4 comes preinstalled with a voice recording app. The application allows you to start voice recordings by clicking the record button and you can also share recordings directly from the application. Well, we've got you under control! As you can see below, the new background contains a beautiful turquome wave that collapses on a nameless beach. It's a breathtaking scene, although we wouldn't call it the best wallpaper Apple came up with. Yes, we've seen better, but even this one isn't half bad! Subscribe to the newsletter! THE HTC 10 (formerly known as the One M10) will be announced next month, on April 12, and HTC recently shared various details about it - including the fact that the phone should offer the fastest and smoothest Android experience, or that it will have world-class rear and front cameras. If you can't wait for HTC to officially unveil a new smartphone, you can already download a set of wallpapers for the Quad HD screen (expected to be a 5.1-inch Super LCD 5 panel). We're not just talking about previously leaked wallpapers: there are 4 new ones - published by HTC ROM developer @LlabTooFeR - that anyone can download and use on their smartphone. Three of the four new HTC 10 wallpapers have psychedelic patterns, while the fourth has a simple wave pattern. All are 2880 x 2560 pixel images, i.e. sliding wallpapers for Quad HD (1440 x 2560 pixels) displays. You can get the wallpapers below (double-click/tap to zoom in and save as), or by visiting the source links at the end of this article. The HTC 10 is expected to use Android Marshmallow with UI Sense 8.0 at the top, powered by a Qualcomm Snapdragon 820 processor and offering up to 64GB of internal memory. The smartphone is metal (like all previous flagships one M), although it resembles the One A9 more than the One M9 or M8. Do you think you'll want to buy HTC 10?
