Welcome to your childhood! We ™ imagined, what if our toys were alive, ™ us? Toy of War is a third-person role-playing game. The world rules bad toys, orcs! You start alone, and you have to save your soldiers from bad toys. Collect them and get stronger. Open the coffin, update yourself and get stronger. Get involved in boss fights and clear the world of bad toys. There's a war coming. This isn't just a toy war. It™ about the whole world. Bad toys rule the world. You need to get your strategy, make decisions. Your strategy is important throughout the game. Save the world, people, animals from bad toys. The battle will destroy the country. The battlefield is the whole world. Houses, warehouses, offices. Different maps emptying. Fight with bad toys with an army of toy soldiers. Defending life is up to you. Stop fighting. Only a powerful king can fight and save mankind. Can you be the one? Strategy is the most important thing in battle, in battle. You should think about it and make your plan. Control the army of toy soldiers. Donâ€™ let them If necessary, take the damage yourself! Because ™ king of blue toys. There are coffins at stake. But there ™ guards on top of their chests. Kill the toy protectors and open the coffins. You can upgrade yourself with different armor and weapons. You can also get skills like healing. Hed yourself and your army. Or it™ hard to kill bad toy soldiers. We defend ™ maps. You have to beat an army of bad toys. Save your soldiers and open coffins to update yourself. There's a big toy war waiting for you! Take part in the battle now! Toy soldiers need a commander. Because you're the king of blue toys, they need you. There are different kingdoms of toys. Other people need you, too. Save the toys and the world. Use your skills and support your army. Toy soldiers need your skills. As a talented toy, you have to lead them. Update yourself with different weapons as well. Kill the orcs! The battlefield needs a toy king! The freest game of all time. You can do whatever you want. It's ™ your decisions and your war strategy. There's a war waiting for you. Toy soldiers are waiting for you. The army is waiting for you. Will you come to the game and have a great time? A great toy war in the real world was our dream in childhood. It's like a toy story. The war changed this time. It's about the Toy Army and you as king of toys. Join the toy war and enjoy the fight. A war toy is a king in a toy war. Take your strategy and apply! Save your toy soldier. Toy Of War Apk Full Mod + OBB DataToy Of War Apk Full Mod + OBB Data!Install Help: install apk on your android device.unzip data and copy com.
