Automotive Bibles are supported by readers. When you buy through a link on our website, we can earn an affiliate commission. Learn more Games has evolved over the past few decades, from cartridges to compact discs and finally to all sorts of consoles. From action to games on horror themes, there are countless genres that are currently available to every gaming enthusiast. Sometimes, however, nothing beats a great racing game played on your favorite PC. The best racing games are incredibly attractive, from sounds and design to graphic fidelity; many of them offer players with great photorealism so they can predict their hands on the actual wheel, wreaming past their competitors, to the finish line. There's no set and an easy way to choose the best PC racing games as they all differ enormously; from genre to display and even the feeling they provide. That's why after careful research and comparison, we've presented you with a list of some great PC racing games that you can jump, light up your engine and race away. Some of these games offer players with online problems, while others allow you to get to know your friends for an adrenaline-filled racing challenge. Adjust your seats and be sure to buckle up for some of the best car racing games of a lifetime. Best racing games Thanks to the power of Kinect for xbox 360, Forza Motorsport 4 allows players to enjoy their automotive passion by taking bold, innovative leaps forward in the racing genre. The developers of this game have delivered a robust variety of race cars, backed up by stunning graphics, groundbreaking social interactions and new challenges and tracks. This Xbox racing game offers players with experience like never before. And all social interactions made possible through Xbox LIVE. The Forza 4 takes players to the British countryside, where they can compete in traditional races, co-operative campaigns, seasonal championships, endurance tests and a stunt jumping test in a variety of vehicles that boast both speed and style. If you love everything vintage, this game also offers the chance to experience the joy of classic cars such as modified transit vans and hypercars. There is even an iconic range of Aston Martin cars found on a James Bond car truck (yes, it exists!). With each change of season, you get to adapt your car and drive as your car will respond to elements such as ice on the roads and wet leaves. You'll have to be a master of all seasons if you're hoping to record some of the best track times. Visually Stunning Open World Crowded With Activity Features More Than 450 Licensed Vehicles A remarkable amount of detail and visual diversity Forzathon Live events are comforting It takes a while though repetition in the final installs in installation takes 3 hours you are looking for intensity? New, bold challenges? Or the car racing game that is real in their own way? You want to give the project cars a game drive. Considered one of the most technically advanced games on the planet, PS4 car games offer players enough excitement throughout the year. This, in particular, has world-class graphics and handling, low tuning and functional pit stop, and a pioneering dynamic time-of-day feature that comes paired with a weather system. To play, you need to create a driver, choose the desired motorsport, and then sign the first contract. Succeed by going into high gear during your races, achieving many vital goals and eventually entering the Hall of Fame. This will provide you with suggestions from other teams, endorsements, and special invitations. Whichever car you're captured, Project CARS has it, whether it's go-kart, open wheel, GT, road cars and even U.S. muscle cars. The best part is that more cars are regularly added to the existing collection, so you never run out of options. Enter the global challenges of the Time Trial or challenge your friends to race for real prizes. Immersive graphics Variety of tracks, cars and disciplines Driving feels wonderfulLy odd crashes Management require configuration Little to no guide to the complex mechanics of Be Fearless with the game DiRT 4. It is one of the best PC racing games in existence that completely captures emotions, thrills and passion outside the road race in every scene and visual. We all know that off-road racing is an activity where bravery meets the award, where the perfect turn is not adequate and where you experience heartwarming moments when you make divided second decisions that can make or disrupt your race. With a large selection of cars and circuits, the DiRT 4 game has a little upgrade from the DiRT rally, with beautiful graphic illustrations. Unlike its predecessor, this game is extremely user-friendly and can be played by different drivers with a different set of skills, thanks to its lightweight gaming ranges. Many routes are based on five locations, Spain, Australia, Michigan, Wales and Sweden. Some of the cars available to players include the Audi Sports Quattro, Ford Fiesta and subaru WRX STI NR4. DiRT Game is the official FIA world championship ralikros game. Serves well as a simulation and gamer audience Your scene offers near endless playback Engaging gameplay for all levels of skill Team building still feels superficial support no vr visually a little softly If you played Forza 4 and you fell in love with it, wait until you get your hands on Forza 5! Starring in some of the biggest tracks and cars in the world, this is a computer game that has been restructured from scratch to take a significant advantage of the huge power of the cloud in addition to the Xbox One. This is a great game that provides wide-to-be The feeling of racing is better than any other game does. Makes. Forza 5, you're alone with the game and you feel like you're driving in the game. Racing game Forza 5 for PC has a new graphical motor that provides a texture that you can feel and the air you can try at 60 frames per second and 1080p resolution. All cars used in this game are selected by experts on Top gear, ensuring that you are always blown away with their performance. This game includes 17 next-generation tracks in addition to ten bonus-loaded cars, including new imports, sports cars, open race cars and extreme exotics. Overall, it's one of the best Xbox one racing games. Your stage offers near infinite reproducibility engaging gameplay for all levels of skill It feels sublime Team building still feels superficial support for No VR Visually a little softly everyone has at the point of their lives stumbling upon Mario. He's a reliable play character who has been in the hearts of many for decades. Play Mario Kart 8 Deluxe anywhere and anytime. Hit the road with this final version of this cool car game, race with friends or engage them in a revised battle mode on new or return combat courses. When playing this game in TV mode, you can play locally in multiplayer mode for up to 4 players. This game features new courses such as Battle Stadium and Urchin Underpass and also welcomes the return of the course, like Luigi's GCN mansion and SNES Battle Course 1. There are also many new characters found in Mario Kart 8 Deluxe, such as King Of Bu, Inkling Boy & Girl, Dry Bones and Bowser Jr, who take the game to a higher level of entertainment. Thanks to the portable mode of this racing game, you can play freely anywhere, anytime you experience itching. Battle Supplement mode is a great feature Many problems are available for all skill levels Further helps for beginners to work the treatment Many gamers can choose for the brand-new Mario Kart on the switch failure to change the colors of the balloon Remote Modes Goal Trackmania Turbo to have great fun while chasing the fastest time. The Arcade Racing Universe Trackmania Turbo will keep you coming back for one last lap each time, thanks to its very reproducible, easy-to-learn yet hard-to-master tracks. Step into the world of fancy wild cars this racing game and discover the ultimate time attack racing experience. Trackmania Turbo has more than 200 head-spinning tracks installed in four beautiful environments, each reflecting a unique style of play. This racing game has an arcade feel and brings back the nostalgia of racegoers with music and even the voices of the crew. The track builder feature in this game provides you with more than two hundred tracks and still allows you to challenge your friends as well as other players in the community by developing or generating crazy personal paths that can be shared in online communities. Up to hundreds of hundreds can join an online paid room, and the ultimate goal is to race for the fastest lap time, not just the finish line. It's useful, intense and highly competitive, a breath of fresh air to the racing genre. Exciting time trial gameplay Packed with modes and tracks Smooth online game Can be unforgivable and frustrating does not do enough that substantially new game Tedious Think you have speed? Show off your skills in needing speed of the most wanted, outsizing and encouraging police officers. Compete and reign taller over the best street racers on stage, even as they sharpen their tactics, vehicles and technology to earn their respect and rise to the top of the Blacklist. Use your record time to create your rap sheet by filling it further with your epic races and wild tricks to create headlines. With new performance settings in this PC racing game, you can set up your trip to a safe house when it's strong enough to compete with a sports car. This game is so real; photorealism will floor you on display. You can almost smell the asphalt burning as you scream and drift. If you want a pimp from your trip or lose cops, there are great visualization settings available to you. Environments in Need for Speed Most Wanted are high for sophisticated harassment and racing being carried out, and it makes driving away from cops more fun than ever in real life! Different types of race customizable cars challenging levels unrealistic display boring pursuits repetitive stages Another revolutionary racing game is assetto corsa game on PlayStation 4. This is a game developed by a small Italian developer in early 2013. In a short period of the year, this game has become a hit of mouth among many players, thanks to its authenticity and simulations of physics. It reads easily as a typical underdog's story with a load of reality. Six months after its dedicated fame, developers Assetto Corsa announced the inclusion of the console, making it one of the best racing games on PC, if not the best. With more than twenty tracks and a hundred cars to choose from, there's no doubt that assetto Corsa is the sim driving console you've been looking for. From laser measurable tracks of this game to pressing their car handling, each aspect has been designed to focus and emphasize the pure realism of physics and accuracy. Currently referred to as the Racing Simulator, this is a game where cars are king. In this game you can find life models of some prestigious car manufacturers such as Ferrari, McLaren, Fiat, Lamborghini, Lotus and Mercedes Benz. If you are a player with a unique racing style, your preferred cars can be easily modified according to you and meet your needs.

In addition, the ability for players to adjust race settings and handling Car in the game helps deepen your gaming and racing experience. Tweaking the abilities and other features offered to players not only provides a genuine and immersive racing experience, but also helps breed the realism that Assetto Corsa is globally known for. Fantastic physics and processing Dive Driving Solid Multiplayer Poor Mode career Dull, confusing presentation A few mistakes We looked at in detail the newest racing game Forza and its immediate predecessor, but Forza 3 has and always will be one of the hit PC racing games in the history of the genre. With this game, each player gets to experience one of the most realistic racing displays to be available. With more than 400 of the most beloved cars on the planet to choose from and more than a hundred famous real-world tracks that include exotic road courses from all over the earth, this is a game where dreams are given and made. In The Forza 3, your breathing will capture advanced vehicle simulations and HD graphics. It also has adjustable skill levels along with a host of driving assists that make the game addictive for players of all ages and skill levels. Try your hands in this fantastic game simulator and have fun drifting and racing or just trashing everyone on your way. Additional features this game has include user-generated content and Xbox LIVE for online communities. Incredible 350+ Forzavista car selection Xbox Play Anywhere and cross-play with sync Visually stunning graphics create a great online Adventure/Freeroam atmosphere still limited to 12 Drone mode camera players required dual turbo and increased altitude Can't accommodate custom checkpoints or multiple points, Inspired by Disney's award-winning Pixar film, Cars 3, Cars 3: Driven to Win is a next-generation game designed for all kinds of players, regardless of their age or skill set. Customize your mirrors and prepare your settings for all-new adventures with stars like Cruz Ramirez and Lightning McQueen. Together you will train and prepare to race against ace rival and arch-rival, Jackson Storm. Experience competitive racing at your best while you master your driving skills for the ultimate world-class competition. This game allows you to play with more than 20 customizable characters including veterans and the next generation of riders. All the iconic locations from the film such as Florida International Speedway and Radiator Springs make an appearance in this game in more than 20 tracks. To get a high score, try to perform as many tricks as you can, as well as catch the air when using different power ups to eliminate as many crash cards as possible. Gang to the ultimate racing problem. Game mode variety Hall of Fame challenges Solid Racing don't take advantage of the concept that cars are characters too much to rely on and getting more nitro nitro Acting another game The need for speed makes its way to our list, the need to return speed. You and your team are reunited in the underworld of Fortune Valley, by seeking revenge against The House, a cartel ruled by both criminals and police officers. To earn the valley's underground respect, you have to play various challenges and events, taking the place of characters such as Mac, Showman, Tyler Racer and Jess, Wheelman. Each driver is given some missions, races and challenges that will provide them with a place in the ultimate competition where they compete to take down the house, finally. In this game, you can create rides with unique performances and visualization settings. Enjoy many races in a variety of environments such as deserts, canyons, mountains and the city itself. You can even connect via Autolog to play with friends and rivals to claim the ultimate bragging rights. With your car at the heart of everything you do, keep winning to see your level of growth against many players around the world. Have you figured out what to get your little one as a Christmas present? Keep your options open, including the need to speed up payback to the list of possible purchases. Solid, simple upgrade paths meet the gene theme game ral The big card offers gamers a place for high speeds and stunts Solid Racing Nitty-grist doesn't work well voice acting Loot boxes completely ruined by Need for Speed's performance setting car racing game DriveClub PC designed with inspiration from different regions and roads around the world. All the race tracks found in this game have many different challenges for each driver, so neither of the two individuals get the same experience. This racing game is designed to have a great time with friends and it's one you've never experienced before. It highlights the importance of teamwork, and encourages you and your friends to work hard, win and earn points together, enjoying the thrill every race and track offers you. To find out what drive club is, you can choose a solo higher speed race, or create a racing club made up of you and your friends where you share experiences while keeping each other up to speed on team performance. The cars presented in DRIVECLUB are not only powerful, but also carefully designed; they are displayed in outstanding detail both inside and outside the vehicle. If you like playing in groups, you can customize your car in the garage to showcase your club's colors while racing on the track. Contains great game content racing in VR fun with arcade handling it's great to be able to vire around your driving seat Bad quality game visual technical problems wit h setting weather reflection boring pursuit of Forza 4 racing game for PC introduces players to another, exciting world. This is one of the best One racing game that is constantly updated, with new content added weekly. Every week brings together a new season, and with this new gameplay, thematic content, challenges and ultimately rewards. Seasons change everything in this shared open world. Experience for the first time in the racing and driving genre, beautiful scenery, with more than 450 cars available for collection and becoming one of the historic British superstars Horizon. Explore the UK and see it that way, you never before. Explore valleys, castles, lakes and all the breathtaking scenery in fantastic native 4k and HDR resolutions. Decide between playing solo and teaming up to play collaboratively. You can indulge in casual fun by joining a multiplayer team or taking on the best in the world by joining the ranked teams. Choose your way to become a Horizon superstar, race, stunt, creation or exploration. Excellent map Great variety of vehicles Sound, graphics, driving on separate lats races after a while boring pursuits of the recurring stages of the Crash Bandicoot series has a fun addition to its game collection, Crash Tag Team Racing. Featuring a mixture of RPG, action and, of course, racing, this game comes along with a crazy plot, silly characters and lots of secrets that will increase your thirst for adventure and encourage you to open every nod and taps in their worlds. You can buy items such as vehicle upgrades and gear, getting every Power Crystal and coin available to you. There are also Die-O-Ramas that need to be searched in their many equally fun mini-games. In this game, a new collision technology was introduced; as a result of the crash of two vehicles, they are combined to create a supercar equipped with a powerful turret gun. Players get the chance to fire aboard weapons or get behind the wheel to drive after a collision. Outside the car, players can still explore many worlds on foot while they unlock bonus tracks while collecting upgrades for their vehicles. Stunt's large frame-by-frame mode is quite interesting The large variety of vehicles all races don't have the interesting features Fetch quests make for non-assigned display element attacks require a variety of zip around medieval castle shafts at Sonic & Sega All-Stars Racing and explore stunning new schemes including the Curien Mansion, Sonic Seaside Hill and Blizzard Castle as you hurtle under lush tropical sheds - or ditch bustling cityscapes. Face-to-face faced challenges such as the evil Dr Eggman, Amigo from Samba and Super Monkey Ball AiAi. Jostle is against these and more problems, about twenty of them in total, and stay ahead in your unique nature of the vehicle. By running some character movements or dodging traps, you can do it around tracks that cover several Sega games, such as House House Hedgehog Sonic, Samba De Amigo and more. There are also weapons such as boxing gloves, Mario Kart, rockets and stars that turn your world upside down. The weapons found in this car game for kids can be used on the track to stay ahead of all your opponents, especially if you don't have the best default players in the game. Dynamic courses and settings Reliable game modes Smooth controls and processing Visual Effects can hide your look Boring and common AI elements can be too challenging time To drive around many different terrains from the intense stages of the rally, weather-beaten, Africa, Europe and the US. DiRT 3 provides all gear, mud and sweat from around the world and boasts more seats, more cars, more events and more itinerary than any other game available in the series. In this racing game, the rally returns with double initial content, making this one action packed and addictive game for players around the world. Featured in this game are the all-new Gymkhana event where players can test their car's control by pushing it to the very limit through drifting, jumping and spin drying their way to the starry sky. And there's an added bonus by which all gamers get to experience how it feels to race on snow. All the rallies in this game come in multisectors and they have places from the jungles of Kenya all the way to the heart of Scandinavia. It's one of the most exciting and engaging games with quality graphics and great physics, and it's worth your time. DiRT 3 is a game you can get as a gift for any game enthusiast who loves a lot of racing action. It could be your son, brother or himself. Whoever you choose, they definitely deserve it. Supernatural quality racing game Offline split screen brilliant Fiendishly addictive score problems Grittier mud look less fun Menu screens a little drab Reveal your creativity with Shift 2 Unleashed. This limited edition racing game allows you to customize both for the show and for victory. You get a chance in this game to create fire-breathing weapons from some of the most elite high-end vehicles in the world. The setup can be made anywhere, on the engine, suspension, bodywork and other parts of your car. This game has an all-new helmet that provides an unprecedented sense of speed, recreating the realistic movements of the driver's head. From terrible night racing and authentic cars and crash physics to a combat-scarred look and feel of both tracks and cars, this game features the European GT3 Championship and the FIA GT1 World Championships, and also includes real drivers for a realistic result. Have fun, play hard, chat with others about your careers and have better gaming experience can imagine playing shift 2 - Unleashed. Sim race that feels like a quick selection from different events is possible gamer. Fully customizable cars Anti-aggressive physics can brutally punish mistakes No rewind feature Bad from track graphics Catch on all the action that takes in the ultimate race experience with Blur. This is a racing game that provides you with heart pumping, electrifying action, with twenty cars racing to cross the finish line first. The battle is crazy, engaging and intense, with Blur. This game has defensive shields, an opportunity for players to blow their opponent's cars out of the way, speed nitro boosts and mines that create destruction that is considerably realistic. Blur is designed to allow a quad-player split screen that takes all the action to a higher level. You can race with friends and experience the thrill of collaboration and solo challenges as you take on single games or high-intensity competitions for fun. Blur's story is told innovatively and uniquely, with a community-based interface that surpasses the game itself. This along with games of fast curves, hair-ed jumping and sneaky alternative routes make Blur one of the best non-stop racing games ever to exist on the market. Online multiplayer is awesome in race goals to set the game apart from other power-ups riders allowing the strategic depth of One Player overshadowed by the boring pursuit of the odd crashing PSG Gran Turismo 5 XL Edition is the ultimate version of the fast selling game. gt5. This game has a generous variety of racing styles, with examples are rally, road, drift and NASCAR. The full version of the game introduces gamers with an unprecedented collection of more than 1,000 cars, complete with active community features and online racing, all in Gran Turismo's signature cutting-edge graphics. Challenge your friends and members of the online racing community to compete in your custom race room system, which has a voice chat for the track's final day. The endless collection of cars at Gran Turismo 5 includes supercars, exotic imports and muscle cars. On the game disk is Spec 2.0, where you get access to all downloaded game updates that allow you to play the game at the optimum quality level. This game is intense, addictive and full of activities that will leave you glued to the screen for many hours. The best photo location mode of the Top Gear Test Track Car trade/sharing team building still feels superficial support for No VR Visually a little softly speaking, Wiping out omega Collection racing games is bog-like, for lack of a better word. We begin the review with a soundtrack that sounds absolutely incredible, thanks to the fact that it is completely redesigned. Enjoy this new soundtrack that features electronic masterpieces from The Prodigy, DJ Kentaro, The Chemical Brothers and Swedish House Game with 46 unique ships, 26 reversible circuits and nine game modes from Wipeout 2058, Fury and Wipeout HD. While online you can participate in an epic 8-player battle race or take all the fun offline, challenging a friend at a split-screen showdown. This collection features a Remastered Game, 4 PS4 Avatars, and a new Van Uber racing ship. You'll be deluded, you'll sweat and your face is likely to be melted from how fantastic this game is. After the race, you'll be itching for one last run, one previous circuit, and one last challenge. You can never get enough of it! As a good technical showing for the PS4, as you're more likely to find super adaptive processing system has rarely been the best Brilliant showcase for HDR games Play on Elite complexity, and time trials and speed lapses are a wild 2048 career not as clean or exciting as Wipeout HD Voice Acting Welcome to racing game Need for Speed Undercover, where you're both a hunter and a hunter. You've never seen a story turn out like this. You never knew that you ended up being the one to risk everything by taking control of the wheel in a bid to take down this international crime syndicate by infiltrating their group. You are in hot pursuit, and man, after which you are a maniac, moving behind the wheel as if his life is in danger. And it most likely is, you increase your speed to match it because it has all the information you need. Behind you is haunted by a fleet of police cars, their siren proclaimed on a quiet night, breaking a once peaceful area. They are not going to make your pursuit easier in a way you must use all your skills and knowledge to take down the enemy, overtake the law, bring back peace by unlocking many truths and countless secrets. A huge area to explore the Great Online Multiplayer Impressive Car Registry Boring FMV sequence Boring Plot Easy AI Burnout Paradise is the only game built from scratch by game developer Criterion. It has a new, wonderful and expansive world where gamers can roll whenever they like. Discover many tricks, jumps and shortcuts in Rock Paradise City, grinding your way through more than 250 miles of open road. Use your knowledge of the city to shed your way to glory in 120 unique events, and find the fastest routes by getting a drop on all your rivals. This game allows you to play solo challenges against your friends or team until more than 4,300 online problems are completed. Bring a different meaning to show time by smashing, spinning and wrecking your car anywhere and anytime, leaving a mark on your way. You can set many speed records without forgetting the destruction, all over the city. Acceptance and violation of traffic rules is freedom only given in this game and you Get to track your prey against what's out of your The technically solid port reboot feature making life easier Ideal between a game Still can't download its own music in a Party Pack game content stuns OpenWorld racing can be overwhelming, annoying DJ Filled with an infinite number of races, Midnight Complete Edition Club: Los Angeles is similar in many ways to Burnout Paradise. This game is designed to keep players busy always because once you finish one race, you are warned about another. All the cars in this game were intricately detailed, with the most realistic representation of Los Angeles to ever get on the game stage. It has a custom soundtrack, but allows gamers to create their own playlist as an optional option. With its automatic complexity adjustment, you gain experience of both reliable and safe games, but keep in mind that hard games are extremely crazy and can make you feel frustrated more than once. It's a great racing game for PC and it's ideal for those in need of an arcade racer. working on wind car handling problems always balanced by Gameplay is a continuous being trash-talked by cheeky street racers expensive betting tweaks (paint ing) unstable turns in colin McRie's game Rally is one of the best car games for boys, allowing gamers to drive some of the most diverse choices of rally cars taking them through a full professional career. Experience real progress and rewards through personal problems provided by 23 separate rally events. With this games not a line series of problems, Cups, Super Bowls, shields and championships, you can complete any occasion with the best. The cars featured in this game range are from rear wheels, 4-wheel classics, 2-wheel drives and more. The scenery and damage to Colin MacRae's visuals have been altered and improved in such a way that if you crash into a tree, you'll see some leaves fall as the trunk s shudders. Overall, it's definitely a great choice if you're after the best car games for kids. Gameplay Modes Physics Model One Cartridge Multiplayer Bad Menu Low-res Textures Ancient Game Rise to be the champion you were born to be by forging your own path to fame with the Playstation 4 F1 2016. This is an online racing game designed to take you on an exciting road trip to the world of Formula One careers. For the first time in the history of PC games, the iconic virtual car safety and safety car have been included for a much exciting game time. F1 game does more than offer you the best experience on the track; it takes you behind the scenes, to all the dramas that are created when you work with an engineer, agent and team to advance your racer career. You also interact with the engineering team to develop your car for better results, sponsorship deals and higher This great life spans about ten seasons with each offering a more immersive experience than the latter. The best part of F1 is its AI. One of the best in the gaming industry so far, this AI game is an incredibly clever facility. All drivers in the game are brilliant and not overly aggressive. Master gamers have identified this game as the most in-depth Formula One game to be developed over the years, following endless trade-offs made between the development cycle and the immersive developer game. F1 2016 may not currently be the perfect PC racing game, but it's already running wonders because of the little tweaks added to bring excitement to players around the world. Engaging career mode Challenging processing and AI Looks great in terms of Clunky cinematic AI design can be dopey a few bugs found by reviewers go ahead and enjoy a good racing game on your computer by choosing from our long, impressive list of new car games. No matter what you need, whether it's a game with great graphics, or one that offers you endless circuits and lots of classic vehicles, there's an option for you. Games are more fun when played in a band, so try as much as possible to look at games that allow you to join online communities or invite your friends for some racing challenges. Another factor to consider is compatibility. Make sure the game you select is available in your machine-compatible version to prevent backwardness or crashing, which in turn may damage your device.
