Whether it's fun with these cryptic words, puzzles, puzzles, riddles or anagrams by Black Page, many adults love a good pun. If you're queuing at the bank with your mobile phone or just want to have fun printing a few games from your computer during a break at work, we offer free word games to play for adults on various websites. This website contains daily word puzzles in English, French, Spanish and Swedish. Puzzles start easily on Monday, then gradually increase the difficulty during the week. Their crossword puzzles can be printed, but users can also activate them to play online. Look for online fills, puzzles, encryptors and jigsaw puzzles, both printable and interactive, in the menu on the left side of the home page. Shockwave offers a variety of online word games as well as downloadable games. In addition to typical puzzles and word searches, this site features games like Picturiffic, where users try to guess a mysterious phrase that appears one by one with each letter, or SuperText Bend, where users take a mixed group of letters and try to spell out as many words as possible before time expires. In the real name, there is only one section for games puns, a new game released every morning. Games offer game show style puns, letter mixed and trinky games in addition to puzzles and other popular puns. Try the Bookworm, which connects letters to wild words or the original game of Games, the Book of Treasures. This website also has a whole section dedicated to puns. Expected puzzles, scrambles and hangman here, along with new games like Phone or BlackBerry Game, which give a hint and numbers and ask you to understand the hidden word using a phone or BlackBerry mobile keypad. One of them, which you guess is not a strange word that you can find in the dictionary, is another favorite pun. Free Games Lexulous, an online Scrabble game, together with WordTris, is a Tetris style word game where letters need to drop off the screen and stack them to create words over an hour. If you're looking for some training with your pun, try Vocabulge, which aims to increase your vocabulary, or AcroChallenge, which competes to create sentences from abbreviations.
