Uber eats food delivery driver

With so many of us staying closer to home these days, food delivery services have become an important part of our everyday lives. With the click of a button, you can order food and have it delivered to your home without contact. There are plenty of websites and apps to order from and Uber Eats is one of the best known. It was started by Uber in 2014 in California and is now available in 35 countries around the world. In this post, we'll show you how Uber Eats works, review the fees associated with ordering, show you how to get free delivery, and show you how to find promotional codes and coupons. How Does Uber Eat Work? Uber Eats is a website and mobile app that coordinates food delivery from local restaurants directly to you. Once you've ordered and paid through Uber Eats, a driver will pick up your order at the restaurant and leave it on your doorstep. You can access Uber Eats through the website or mobile app (iOS or Android). Once you're signed in, enter your address to see which restaurants are delivering to your area. Then you can search by restaurant name, type of food, or even a maximum delivery fee. Once you've chosen a restaurant, your order will be shipped and paid through Uber Eats. Then a delivery driver will pick up your order and deliver it directly to you. Uber eats feesAfter it's time to check out, you may experience a few different fees on your order, including a service fee, delivery fee and/or a small order fee. Delivery fee: \$0 to \$6Service Fee: 15% of your order total, but no more than \$4.50Small Order Fee: \$2 for orders under \$10Dan to get free delivery on Uber EatsYou can get free delivery on Uber Eats when you sign up for Eats Pass, a monthly membership program. As a member, you must pay \$0 delivery fees for any order over \$15. Plus in select cities, you get a 5% discount on orders over \$15 (given as a discount on the service fee, which is separate from the delivery fee). Every month you renew the Eats Pass, you will also receive an email promo code for additional discounts. In addition, all members of Eats Pass will get a free membership to Cornershop Pop. Cornershop Pop is a subscription to Cornershop, a grocery delivery app. It gets you free grocery delivery on orders over \$30 plus members only promotions.
