Flying Monkey—a local company offering authentic food, affordable pricing, in an inviting atmosphere with acclaimed Jazz and Blues artists to enhance your 2016 dining experience. Flying monkey is one of our favorite places. Large drinks (try cucumber, basil, martini). Good food - try Monkey Wings, Brussels sprouts, Aviator Chick or sliders. Good menu. The staff is friendly and helpful. They do a great job of making you... feel safe under Covid. Now that they have their out door area set up, it is very nice and comfortable and confident feeling, they have a small stage set up outside and, on the weekend, they routinely attract talented musicians. There aren't many places to still hear good live jazz. The Flying Monkey attracts a diverse clientele, young, old, urban, suburban, families, couples. It seems that everyone is welcome there, which definitely add to the fun atmosphere. We look forward to our next visit. More Closed0.90 mi Hours Claim This business Is This Your Business?
