Curls Kinks and Co.® celebrate the versatility and style that make natural hair so unique. CKCo is a well-curated collection of textured styles that mimic set bars, twist outs, pineapple, and other going natural looks. As you know, not all naturals are created equal, so this is an invitation to affirm your personality, embrace your style, and enjoy the journey. The tailoring textures of this style mimic natural hairstring or roller set.. Step by step instructions part of the hair from the temple to the temple and then comb forward and put the shoulder forward. • Press the lid down and enter the back shoulder. Comb the hair over the part and mix for the desired look. Combining tips thanks to the textured roots, the compound is incredibly easy and minimal leave off is required. • Your crack hair should be pulled or lightly blown dry. There are many ways to stretch natural hair: roller sets, bands, braid outs, etc... Use any method you like best. 100% premium fiber is ready to define natural beauty on your own terms. Curls Kinks and Co.® celebrate the versatility and style that make natural hair so unique. CKCo is a well-curated collection of textured styles that mimic set bars, twist outs, pineapple, and other going natural looks. As you know, not all natural equals are created, so this is an invitation to confirm your personality, Style yourself, and enjoy the trip.
