Showing 1-10 of 105.376 Plants vs Zombies Plants vs Zombies 2 Kindle for PC TV 3L PC Plants Vs. Zombies Game of the Year Edition belongs to the genre of defense games free download for PC. In this game, the player is required to plant a lot of plants capable of shooting bullets to defeat hordes of Zombies appeared more and more crowded. It's a really difficult task for you. Please download it to try it now! About Plants Vs. Zombies Game of the Year Edition download for PCV this game the player has the task of selecting fruits with the correct ability to place it in different places where zombies attack. The game requires you to devise a very reasonable strategy, especially you have to basically understand the pros and cons of each fruit, how much money, and the ability to capture zombies to use flexibly. This game with simple gameplay, everyone can quickly enter the game without having to learn too much. However, when you have joined the game professionally, there are many skills and things to learn. Hundreds of fruits and trees will be gradually unlocked through each game screen, of course, we still have to use the money raised through zombie-killing missions. Some peculiarities of Plants Vs. Zombies Game of the Year EditionPlants Vs. Zombies Game of the Year Edition is a combination of humorous elements and lower difficulty than the general level to create a sense of comfort for casual gamers. Of course, the difficulty level also increase in each round, which is why you need to focus while playing on your PC. At that time, it was very difficult for players to fend off an enemy attack, especially when zombie power became more crowded than ever at the end of each round. Plants vs Zombies Game of the Year EditionSuch as this game also has very simple graphics, but is carefully designed in every detail. Each plant and zombie is carefully crafted to make it look as funny and engaging as possible. So you'll have a lively gaming experience. Obviously, Plants Vs. Zombies Game of the Year Edition will immediately attract attention and players spend a lot of time exploring. This is really a game worth playing to relax after a hard day's work. So please download this game for your computer to experience now. Good luck! FULL SPECSAuthor: PopCap GamesRetection: May 5, 2009License: PaidIOS: Microsoft Windows, Android, PlayStation 3, Xbox 360, Xbox. MORE. Ios V Plants vs Zombies 3, you have to reclaim your city found under the occupation of Dr. Zomboss and his Army. Free captured plants by fighting challenging zombies that serve blindly Zomboss' pernicious targets. Become the commander of a skilled cooperative of plants and allies around the world to defeat evil forces and take back your country. How to download and play Plants vs Zombies 3 on PC Download, install and Play Plants vs Zombies 3 on your Windows or MAC PC with free mobile apps emulators. Download and install Bluestacks. Alternatively, you can use Meme or Nox. Sign up or connect your old Gmail/Google Play account. Go to the search box in the emulator and enter Plants vs Zombies 3 Click the Install button next to the game and wait for apk to finish downloading. That's it, click on Play! Enjoy Plants vs Zombies 3 for your desktop/laptop! Platforms: Android | iOS | Windows 7/8.1/10/XP/Vista | MacOS Why Download Plants vs Zombies 3 for PC | Main features 1. Enroll talented plants in your army. One man can't win a war. Defeating Dr. Zomboss himself is impossible because he has a large army of zombies that are ready to carry out all his orders. That is why you need to gather a cooperative of plants and become their commander, under which they will claim glorious victories against evil. You can choose from a variety of plants including: Peashooter, Sunflower, Cabbage Counter and Coconut Cannon. Each plant has special skills that will help improve your strategy and increase your chances of destroying Zomboss's evil empire. Choose plants that will strengthen both your defenses and attack, and implement intelligent strategy adjustments and upgrades to make your plants fight more effectively. 2. Destroy challenging zombies. Dr. Zomboss won't back down if he's supported by a huge army of zombies. First you have to deal with them, and then you have to get the boss to give up. Fight every zombie that gets on your way and advance the game as you face off with more challenging zombies that will make you rethink your strategy and make adjustments on the fly so that the potential of your army is fully exploited. Read more: Minecraft Pocket Edition for PC - Windows / MAC Download3. Get your city back. Destroy the zombies to get closer to Devour Tower, where Mr. Zomboss lives. As commander in chief, you need to develop a good strategy for each stage of the game. Depending on which zombie charges are on you, you will need to decide who to deploy on the battlefield and whether to rely on attack or defense. Make wise decisions to achieve the main goal faster and destroy it. Don't forget to upgrade your team's skills, as the most ferocious and powerful zombies are located around Devour Tower, patrolling the area to ensure that their boss's peace of mind is not disturbed by anyone. 4. Make allies around the world. The lone gunman's strategy is ineffective in the fight against Mr. Zomboss. Connect with other players around the world to become a greater force that can Up to wild zombie attacks and overthrow the greatest evil in the city. Share tips and knowledge with your allies and develop a common strategy before which zombies will be powerless. 5. Practice your skills with other players. Connect with other players and organize one-on-one battles in Arena mode to practice your skills and level up the power of your races. In addition, Plants vs Zombies 3 never gets boring as you have the opportunity to chat with your friends and share stories and tips on how to beat Mr. Zomboss and take them back to town. If you liked this post, be sure to rate and share it. Also, if you can't run Plants vs Zombies 3 on your PC or any other problem, write in the comments below and we'll help you. You.
