Is there a limit on the quantity I can order? We will deliver any balloon we sell in our store. There are no restrictions other than on-hand inventory. What accessories or accessories can I order? An example of a popular additive is the corresponding weight of the cylinder, which prevents the balloons from swimming. Other accessories include tails and tassels. How long can I expect the balloons to last? With hi-float seal helium filled latex balloons have a float time of up to 18 hours indoors. When ordering latex balloons, you should always ask for a presentation on the day of the party. Foil balloons can remain lingering for several weeks and can be delivered a few days before your event. Is Hi-Float included in my booking price? So! Hi-float sealant is applied to any helium-filled latex balloon you order. Is helium included in the price of my order? Helium is included in foil cylinders the price of bouquets containing foil cylinders. Helium is not included in the price of latex balloons. Can I get a refund for balloons that exploded during delivery? Yes, we are returning the cost of the damaged cylinders in transit. Balloons no no City W 34th St. With one of the biggest choices for foil and latex and balloons in New York, and a range of balloon accessories to match, Party City offers full balloon supplies for every budget and country theme. We invite you to browse our inventory partycity.com or visit our W 34th Street spot where balloons are located throughout the store. Many of our foil balloons appear from floor to ceiling on the balloon walls, which must be seen. Do you want to make a statement? Try singing the balloon to deliver your message, whether an eye-catching balloon bouquet, or even a giant gliding balloon that walks when pulled in line. Latex balloons in Country City W 34th St stock latex balloons of more than a dozen solid colors, as well as various prints: polka dot, star model, animal stripes, message print, and more. Inflated balloons of different styles range from 9 to 24 inches in diameter when inflated. Packages range from 4 balloons to 72, large packages ideal for weddings, school fairs and other big events. Filled with helium, latex balloons have a float time of up to 18 hours indoors. Filled with air, they can have their form for several days. Foil Balloons Foil Balloons are usually sold as dating. While they cost a little more than latex balloons, their strength, durability and wow factor makes them bargain. In most cases, we will fill them with helium at no additional cost. When inflated foil balloons are more than 6 feet high, size is not possible with latex. They come in a variety of shapes, including heart, diamond, cubic, perfectly spherical and character shapes such as Mickey Mouse and Peppa Pig. They can be printed on all surfaces with scrub white, comic functions, or messages of greetings. Party City W 34th St carries foil balloons for birthdays, baby showers, weddings, New Year's Eve, and graduation, among other holidays and occasions. Balloon bouquets balloon bouquet is an art arrangement of their balloons: foil, latex, or both. Bouquets offer a quick and easy way to beautify the setting of the party. They are often used as table decorations, as room decorations or as courtyard ornaments, to draw attention to the event.
