

RED IGUANA

RED IGUANA DELIVERY SERVICE PROVIDED BY OUR DEDICATED STAFF

Due to the pandemic Red Iguana has adjusted its catering services. We are happy to provide drop off/delivery safely within the SLC valley for orders of 50.00 or more to your home or office. Our restaurant menu & catering/family style menu offer a variety of choices.

Full-service catering is suspended until further notice.

Red Iguana uses only quality ingredients in the preparation of our award-winning food. We are known as “The Home of Killer Mexican Food”. All orders are labeled and served in quality aluminum or plastic disposable containers. We also provide all necessary serving utensils.

Disposable wire chafer sets are available for 12.00 each.

Delivery Area

We deliver within a 15-mile radius of Red Iguana. Anything beyond that radius will be subject to a mileage fee \$.575/mile (2020 gov't rate)

Pick up & To-Go Orders

To-go orders from our restaurant menu are always welcome.

You can request most menu selections “family style”.

Not all items on our restaurant menu are available on our catering-family style menu.

Additional charges may apply
