Run My device is smooth on both iOS and Android. One thing that always disappoints me with these types of apps is the huge amount of ads. Advertising everywhere and too often. I think it's the price you pay for a free app. But that is a good room escape game other than 100 door floor escape practice. With exactly 100 levels there is definitely a lot of time of gameplay. The variety of scenarios along 100 levels is something worth mentioning. I am sure it takes a good amount of time and dedication for developers to achieve such a large amount of quality levels. Some levels got a little repetitive, but it's acceptable. Going through each level was a very enjoyable experience and definitely 100 floors to escape the floor and 19 floors to practice. It can get too difficult in some parts, but now you can find us. Visit the 100-dor floor escape level 19 walk-through to get the job done easily. So I hope you enjoy this one. See you next time with more practice hints and solutions. By the way, if you're looking for another app, visit the homepage you've already completed.
