With this easy-to-use app, learning to read in English is a fun experience. Developed by language experts, children learn to read at their own time and pace. With read, children can:• Hear the word spoken correctly.• See the correct spelling.• Practice speaking letters, words, and sentences.• Record and play back the story. With 8 levels and 32 books, children can develop at their own pace, ranging from simple words, moving on to complete sentences, and finally, reading the full story. The first three books on each shelf are stories read for me. Stories are read aloud while the child follows him. The fourth book allows your child to practice reading using vocabulary from stories they have just read. The recording function allows your child to record it by reading the story and play it back. Suitable for people aged 4-9 years, Read allows children to learn to read independently. It's simple. It's funny. It works!
