Sensing a potential threat, all other races have assembled their armed forces, bending to destroy the human race. People suffered from a sudden attack, they lost many space colonies in the process. You, once the hero of classical time, lived in seclusion, now go back to driving your own fighter jet to fight evil alien forces. The game has a classic pixel style and Danmaku barrage bullet hell shooter. Defending the galaxy from alien attacks, we need you! You- The Guardian of the Galaxy. The galaxy is waiting for you! Dette drank er kun til modige mennesker. Meget vanedannende skydeoplevelse! I en n'r fremtid has menneskeheden erobret alle planeter i solsystemet, og er dermed blevet den mest magtfulde race i galaksen. Alle de andre racer er opm rksomme p den potentielle fare, s' de har samlet deres styrker for at g're sig klar til at 'del'gge menneskeheden. Menneskene lider pod et pludseligt angreb og har tabt mange kolonier. You, en helt der lever afsides, rock vende tilbage til dit kampfly i kampe med de onde alienstyrker. Functional pixelgrafik, am minder om spil fra gamle dage- Super-let styring, så let, at du ikke behøver nogen manual!- MANGE forskellige fjender!- Seje og vilde boss-kampe- Forskellige opgraderingsmuligheder- Sand kampoplevelse i rummet- Udfordr dine venner i PVP-kampe! Fanside: er i krig. Vi har brug for digging! Download det fremragende arcadeskydespil nu!
