The link and description of TapTap Heroes will change how you feel about the idle RPG – PocketGamerTap Tap Heroes thinks you're in the center of Mystia on the continent where heroes gather. In mystia, the sacred sword, which bears the power of creation, was discovered by Freya, the queen of hell. As a result, Freya plans to harness the power of the holy sword and take over the world. The knights of the Alliance in their castles, the soldiers of the Ordos in their caves, Elven mages in their forests, the spirits of the undead in their tombs, and the holy beings in heaven, all begin their journeys to find the power of creation. Along with more than 200 heroes across six different factions, you also find yourself on the quest to find a sacred sword and compensate for Freya's plans before it's too late.
