Different houses and environment to cover from enemies. Cars and bicycles. You were dropped off in a war zone. Dozens of enemies. The weapons are scattered across the map. Will you survive? Don't mess with me. The death zone is constantly moving and you have to move too. To find Gun you can and fight for your life. Constant skirmishes. Tactical manoeuvres. Breakthrough Breakthrough Enemy squads with fury or get around from coverland to shoot with advantage. Improvise. Adapt. Overcome. The new Gangster Crime 1.7.1 APK Welcome to a brand new crime world simulator with interesting and dynamic gameplay. Advanced game mechanics and cool third-person waiting for you. Immerse yourself in the atmosphere of a big city. You have to rise to the top of the criminal world. You will start your journey to success from the bottom, like an ordinary gangster, and then everything will depend on your own. Take a chance and challenge this vast empire. You have to fight for the urban areas owned by your wargs, they will fiercely protect their possessions. Be prepared for a serious confrontation. The game takes place in a modern metropolis with a developed infrastructure located in a tropical climate. Such sites would attract various forces willing to control the territories. Your hero is a young and brave gangster - no exception. The city was divided between several large criminal groups. Each of them has its strengths and captured areas of the city. To make up the eyes of enemies, you have to pump different skills, make friends into the game world, create your own clan, capture newterritories and protect existing ones. Complete various tasks in the territory you want to capture, unlock a new unique mechanic. Like everyone else, you will gain respect and popularity. Restore the buildings in the captured area, develop the economy. This will allow you to make a profit in the game. In addition, you will find multi-addit missions that will allow you to earn resources and gain auunique gaming experience. Some missions can be very dangerous, as you have to go to enemy territory. Be careful, being an unforeseen territory, you will face the severity of street life. Constantly living in the underworld requires you to act like a real: be strong, focused and smart. Do not forget about daily games, they will help you get useful gifts. Collect rewards every day and don't miss the final prize. Build your arsenal of cool weapons, improve your guns and skills. Pump strength, endurance and agility. This strategy will allow you to become a real gangster - a tendersmouth of the streets. You can customize your character to tomake it stylishly. Try different combinations of clothes every day. Buy special ammunition and increase yourgangster protection. A large clothing store is available to your hero. You canalso purchase items of constant use: cartridges, body armor and the first aid kit. The game features a large number of vehicles for movement. As you progress through the game, you will unlock newunits: sports cars, cool tank, simple city cars, SUVs, motorcycles, and unique customized cars. You can improve already purchased cars or make them unique by coloring them in different colors. We've done a lot. work to optimize the game world. But at the same time they have preserved the beauty of the open 3D world. Well developed city, cars andcharacterly dislocating the game to a new level. You can play comfortably on your smartphone or tablet. Convenient interface and clear control of the character, different units and weapons will allow you to immerse yourself in the atmosphere of the game as much as possible. Collect free game resources throughout the city, such as the first aid kit, ammunition, weapons, money. All you have to do is find it. We hope you enjoy the game very much. Stay tuned for updatesas we are constantly improving the game. Thank you very much to the players for their feedback, it allows us to make the game even better. Best attitude, Team Naxeex.
