Got It Subway Princess Runners is a fun running game developed by Rio. It is similar to the Surfers Subway but has unique features such as the leading female protagonist and the Themed Christmas track! Dashers are sure to love this game. Dashing through the snowIf you are a fan of adventure run games filled with temple run, Minion Dash, subway surfers, then you will definitely enjoy the subway princess runners. It is an endless game of dashing through the city and subway for as long as you can. You can expect it won't be that easy. The game has many obstacles along the way and you will get harder and harder for you to try to evade them. You will be shown up so often try your hardest to avoid them. There are also coins that you will need to collect along the way. Just run through them in order to do them but keep in mind that the coins do not follow blindly. Sometimes, having coins also eagerly will cause you to bump against obstacles or face a dead end, which will make you lose the game. Don't be too greedy and focus on lasting for as long as possible. Focus on breaking records! Choose your runnerprinciple The game will get you to play a girl wearing normal clothes. She is the main runner and it is safe to assume that the name of the game is based on it. Who says girls need to wear gowns to be named princess? There are other runners to choose from but you'll have to either buy them or open them. For example, you can buy a runner for 50,000 coins while another runner requires you to collect certain things during your run. All runners have very different and unique qualities. Some runners include A Viking, a girl dressed like Harley Quinn, and a man very much like Bruce Lee. I would say that Harley Quinn would be my personal favorite. Runners can also be customized. If you want to dress them up with a different style, you can buy clothes using the coins you have collected. You can also upgrade them by buying jetpacks, coin magnets, and helmets. Sounds and graphicsthe game has smooth and colorful graphics that allow you to enjoy uninterrupted gameplay. It also has really good sound effects that will let you feel as exciting and exciting as you run along. You will hear your runner's reaction whenever you hit a plate or train. You will also hear your stalker snoring whenever it is near you. Enjoying holidays anytime and anywhereand Christmas all year round in this game and its holiday vibe is what makes this game really stand out among other things. The holiday season can feel as you make a mad dash on past tracks and obstacles.
