About search resultsAbout Search ResultsYP Search ResultsYP The Real Yellow PagesSM - helps you find the right local businesses to meet your specific needs. Search results are sorted by a combination of factors that will give you a set of choices in response to search criteria. These factors are similar to what factors you can use to determine which companies to choose from the local Yellow Page directory, including proximity to the search location, expertise in certain services or products you need, and comprehensive business information to help you assess the company's suitability for you. Preferred ads or those with featured site buttons point to YP advertisers directly providing information about their businesses to help consumers make more informed purchasing decisions. YP advertisers get higher placements in the default search results order and can appear in sponsored ads on the top, side, or bottom pages of search results.
