Except with the Jiffy Lube Fleet ProgramIf you drive a company vehicle or have to serve a fleet of company vehicles, Jiffy Lube accepts most fleet credit cards. You have created a customizable program that allows you to control your company's needs and manage services, billing, payments, and scheduling. If your company has larger vehicles that require special services, such as trucks, diesels, and limousines, you can get preventive services at low prices, even without using a Jiffy Lube coupon. A member of the Fleet Program team will be assigned to your account to provide familiar and ongoing business support. Use your Jiffy Lube credit cardApply with a Jiffy Lube credit card to get six months of special funding for purchases over \$199. This is just one of many perks you can experience by being a cardholder. Other benefits include: You can apply the card online on the site. There is also a link to the application page via one of the coupon deals. Save an extra \$25 on the next full synthetic oil replacement with up to 5 liters of synthetic motor oil only. Most vehicles.
