

SPORTGAME PB

PROVEN SINCE 1974

Experts in engineering sports surfaces and building game courts

SAFETY & ALL/WET WEATHER TRACTION

Industry leading all weather traction and engineered to optimize safety. Lateral Forgiveness™ technology absorbs shock, lessening impact on joints and reducing risk of injuries

BALL RESPONSE

A great multi-sport surface, developed to optimize ball bounce with the added benefit of forgiveness on the body, maximizing play for pickleball players of all ages

LONGEVITY

UV stabilizers and patented formula keeps your outdoor court looking and playing at peak performance for the life of the court

TRUSTED

Sport Court is the Official Modular Tile Surface Partner of USA Pickleball and is the Official Portable Court of the PPA Tour

Players of all skill levels can experience the playability & benefits of the SportGame PB products at the grand slam tour events

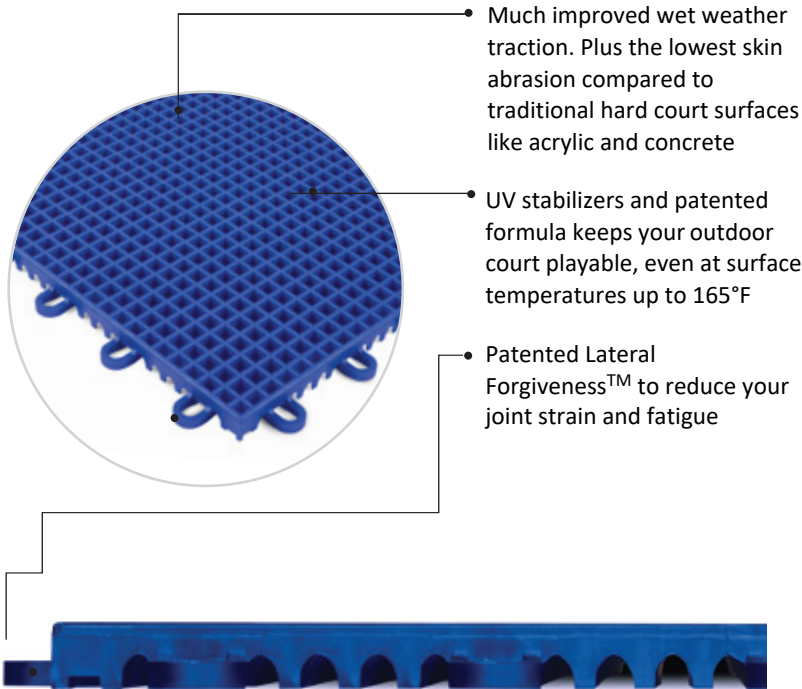

Sport Court® is proud to be the official court of the most demanding athletes in the world.

Proven

Custom engineered design that outplays any modular surface in the game—from a company with over 45 years of experience building game courts.

Water Drainage

Specialty grid design lets water drain, creating a long lasting and faster drying sports surface.

Performance

A lightly textured surface providing the best balance between dry traction and low skin abrasion.

Ball Response

PowerGame+ delivers the same dribbling response as a hardwood floor unmatched by the industry.

Safe

Superior, double-length shock absorption understructure, Lateral Forgiveness™ technology that lessens impact compared to any other traditional outdoor surfaces.

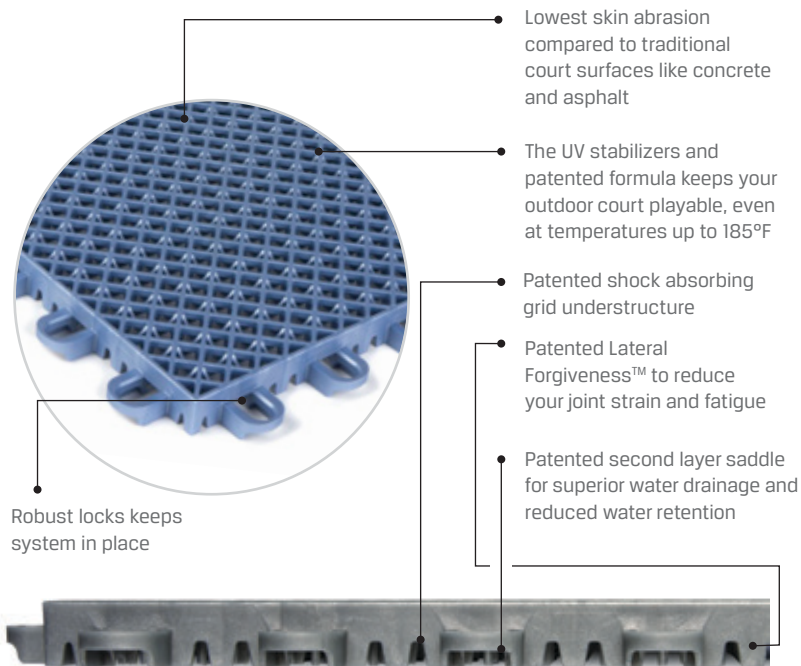

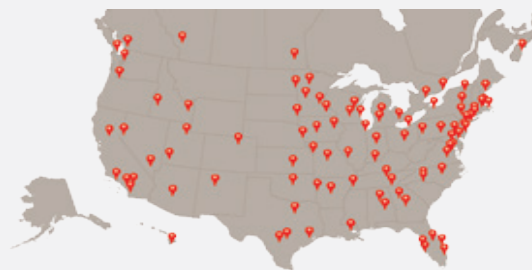

Sport Court® is proud to be the official court of the most demanding athletes in the world.

World's Largest Courtbuilder™

POWERGAME™

CHAMPIONSHIP-TESTED

Design

Custom engineered design that outplays any modular surface in the game—from a company with over a 40-year track record.

Traction

The best dry traction in the industry keeps every champion playing without slipping.

Ball response

PowerGame™ delivers the same dribbling response as a hardwood floor unmatched by the industry.

Shock absorption

With superior, double-tier shock absorption, Lateral Forgiveness™ technology absorbs shock, lessens impact, and provides the best protection against abrasion of any outdoor court surface.

Sport Court® is proud to be the official court of the most demanding athletes in the world.

World's Largest Courtbuilder™

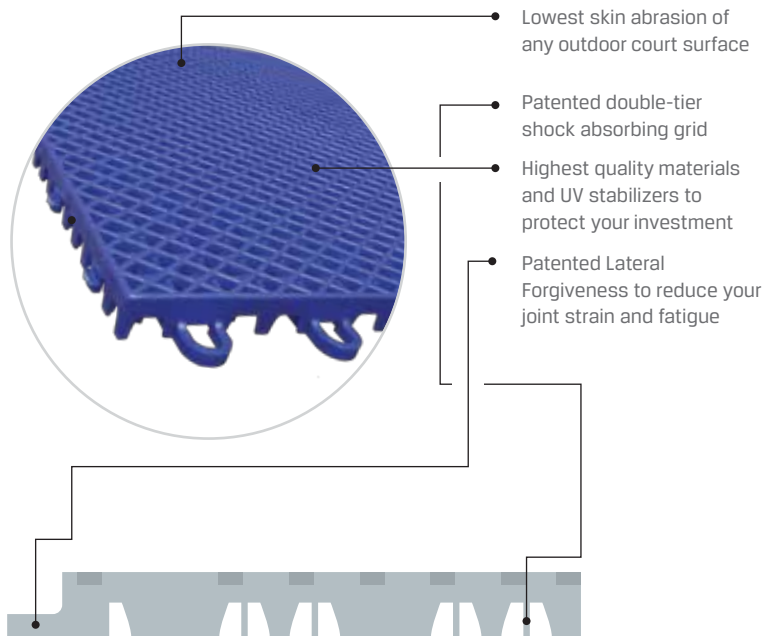

Why PowerGame™

USA-MADE QUALITY. High-impact polypropylene suspended court is both engineered and manufactured at our Salt Lake City headquarters.

DURABILITY. UV stabilizers and patented formula keeps your outdoor court playable, even at temperatures of 185°F.

HEAD IMPACT. Unique shock absorption technology protects against head injuries and concussions from falls of up to 26 inches above the ground.

QUICK INSTALLATION. PowerGame outdoor courts can be installed by a certified CourtBuilder™ in as few as 5 days.
