Survival simulator 3d mod apk

Survival Simulator - симулятор выживания в лесистой местности где главный герой оказался из-за неблагоприятно расположенной к нему судьбы. Ему предстоит начать с нуля, постепенно обживаясь, строя лагерь, добывая ресурсы, охотясь и защищаясь от хищников. Крафт различных предметов, инструментов и оружия откроет новые возможности и повысит шансы на то, чтобы выйти победителем из схватки не только с животными, но и с самой природой.
