Facebook – Curriculum &pi; Homeschooling Supply Stores 4n Math is a math guidance service based out of Murfreesboro Tennessee. One option is the traditional hourly guide, which is best if you students need extra help. The other option is to have a homeschool math teacher. It is an opportunity for you to continue to home school your student, but have a certified math teacher take over the math part of their learning. You choose the curriculum and lesson planning, teaching, homework assignment, testing, all will be performed by an educator. Prices vary depending on the level of character and desired service, but are listed on our website. Website: www.4nmath.com Email: info@4nmath.com In the process of adding providers of the homeschool curriculum along with any free trials currently available.
