## Stay alive lyrics

Stay alive... Stay alive... I have never seen a general so depressed. The Cavalry won't come. Mr. We have only one way to gagner.de cause a real schism in their ranks. Hamilton is right. Let's not start a battle, we'll hit them at night, we won't back down until their troops go on the run. The price of this battle cannot be determined. We're going to outdo them, we're going to survive them. Let's take a step back quickly, stay alive until this horror is a thing of the past. Lift up our glasses! I'll go back to study in New York. I will ask for the support of France, I hope that France sends a ship. I'm going to stay with Hamilton, we're writing anti-slavery articles. We cut off supply routes, intercepted contraband, expanded our operations and selected locations. He refuses me without hesitation. Commander. I'm a general. to your health!!! I don't think so. He is certainly not someone I would go and fight with. He was on the ground during the Battle of Monmouth. All on the attack! Backwards! Washington attack! Backwards! What are you doing, Lee? Go to the enemy! But there are so many! I'm sorry, but where did your jump go? I'm ready, sir! WashingtonEncourage Lafayette to lead the army. Yes, sir. A thousand soldiers die in the 40-degree heat. We blocked them, we snatched victory from the clutches of defeat! Charles Lee was sent back penniless in his pocket. Don't do anything. History will prove him wrong. But, sir! We have our own war, we have to move on. LawrenceLee talks too much, someone has to stop him. I can't disobey a direct order. Then I'll do it. Lawrence, don't miss your chance. There is a rhythm and rush these days where the lines do not move and the colors do not fade leaves you empty with nothing, but dreams in a world become superficial In a world become lean Sometimes there are things that a man can not know Gears will not turn and the leaves will not grow There is no place to run and no gasoline engine will not run And the train will not will not leave engines will not turn and the train will not leave, I will stay with you tonight you stand by until the morning light In the morning watch a new day hike We will do everything that is just to stay alive We will do everything that is just to stay alive Well the way I fell way I'm going to ride It's not like the thoughts of the man who lies There's a truth and it's on our side Dawn just open your eyes Look in the sun as the new days rise And I'll wait for you tonight You're here forever and you're by my side. I've waited my whole life to feel your heart like it's keeping time We'll do everything that's right To stay alive Dawn just open eyes Dawn is coming Open eyes Dawn is coming Open eyes Dawn comes Open eyes Look in the sun as the new days rise There is a rhythm and rush these days Where the lines do not move and the colors do not fade You leaves empty with nothing , but dreams in a world become shallow In a world gone lean, but there is a truth and it is on our side Dawn just open the eyes Look in the sun as a new day rises It's not going to be enough. , который стал неглубоким В мире Иногда есть вещи, которые человек не может знать. Механизмы не будут поворачиваться, и листья не будут расти Там нет места для запуска, и нет бензина Двигатель не будет поворачиваться И поезд не уйдет Двигатели не повернутся , и поезд не уйдет Я останусь с тобой сегодня вечером Держись рядом с утренним светом Утром следите за новым днем Мы сделаем все , чтобы просто остаться в живых Мы сделаем все, чтобы просто остаться в живых Ну, как я упал, так я буду еадить Это не похоже на мысли человека, который жлет Есть правда, и это на нашей стороне Рассвет идет Открой свои глаза Взгляните на солнце , когда начнутся новые дни И я буду ждать тебя сегодня вечером Ты здесь навсегда, и ты рядом со мной Я ждал всю свою жизнь Чувствовать свое сердце , поскольку оно держит время Мы сделаем все, чтобы просто остаться в живых Рассвет идет Открой свои глаза Рассвет идет Открой свои глаза Рассвет идет Открой свои глаза Взгляните на солнце , когда начнутся новые It's not going to happen. It's not going to be a good place to be, It's not going to be the last time you know. Original Broadway Cast Of Hamilton Lyrics Stay Alive [Eliza:] Stay alive.... [Eliza/Angelica/Women's Ensemble:] Stay alive.... I pull back, we resorted to eating our local merchants horses we refuse equipment, help They only take British money, so sing a six pence song [Washington:] The cavalry does not come [Hamilton:] But, sir! [Washington:] Alex, listen. There is only one way for us to win this contempt provocation, squarely [Hamilton:] It's true [Washington:] Don't commit, night strike Stay relentless until their troops take flight [Hamilton:] Make it impossible to justify the cost of the fight [Washington:] Outrun [Hamilton:] Outlast [Hamilton:] Outlast [Washington:] Hit 'em fast, get out fast [Hamilton:] Chick-a-plao! He promotes Charles Lee ([Lee:] Charles Lee) makes him the second in command: [Lee:] I am general. Whee, it's you! [Hamilton:] Yes. [Lee:] Retirement! [Washington:] What are you doing, Lee? Get back on your feet! [Lee:] But there are so many! [Washington:] I'm sorry, isn't that your speed? Hamilton! [Hamilton:] Ready, sir! [Washington:] Let Lafayette take the lead! [Hamilton:] Yes, sir! [Laurens:] A thousand soldiers die in a heat of a hundred degrees [Lafayette:] As we snatch a dead end from the jaws of defeat Charles Lee was left behind without pot to pee in He started saying this to anyone who would listen: [Lee:] Washington can't be left to his devices Undecided, crisis to crisis The best thing he can do for the revolution is to return to plantin' tobacco in Mount Vernon [Company:] Oo! [Washington:] Don't do anything. History will prove him wrong [Hamilton:] But, sir! [Washington:] We have a war to fight, Let's go [Laurens:] Strong words from Lee, someone should hold it to her [Hamilton:] I can't disobey direct orders [Laurens:] So I'll do it Alexander, you're the closest friend I have [Hamilton:] Laurens, don't throw your shot (Writer: Lin-manual Miranda The events in this song happen three years before the wedding. Chick-a-plao! was explained by Lin-Manuel Miranda in his book Hamilton: The Revolution, Probably a subconscious nod to all rigatigatum and cracko-jacko in West Side Story, but if I'm honest, I hear it in the voice of Method Man, in this wu-tang skit where they only talk about how they're going to beat each other. And hit them with a spiked bat like a blaw.
