Having thousands of diamonds in a loose heat is crucial if you want to get good suits and the best weapons skins, as well as get a good elite pass; and that's how you can charge free fire diamonds by ID for free. In this article, you'll learn how to put diamonds for your free fire account or friend's account, only by entering the player ID it is without the need for cards or PayPal. This method of reloading diamond bonuses to you with 10% extra diamonds when making your charges, as well as being a little cheaper than restarting in the game, are all cardless. How to charge diamonds free fire on free id? This is a website where you can reload many diamonds for free fire, only with a player ID: this is a charging center where there are different forms of payment. This is a 100% trusted page. Because free-fire creators have made the page so that people who don't have maps can also enjoy overloading diamonds. This is the official garena-approved website below you have steps to follow to replenish your diamonds; and buy an elite pass this season. Go to PagoStore.com Select the number of diamonds to rechargeAd entering your dataConfirm your payment method Ready at the end of payment you will see diamonds on your account This is something simple I will explain it in steps , after you have entered your ID, you will see the name of the player at the top; You will continue to choose the payment method can be using cards PayPal, cash payment or one of those I use most is a paid market. Choosing a cash payment once you choose the number of diamonds to drip will result in barcode printing, pay it in cash at a self-service store like Oxxo. The payment method may vary by country, but in the case of cash payments it can take up to a day to reflect; replenish your account so as not to despair if they do not appear instantly. Buy free fire diamonds in a pay shop with a pay market if you want your diamonds to be displayed very quickly, it's best to do the following. To give you a solution I recommend using, the paid market as a payment method, buy diamonds, as replenishment is reflected instantly. You may wonder how to do this, then I summarize it in a few steps: (1) Create a paid market account (2) enter money into your self-service account (3) add a paid market as a payment method in the Pago Store. You'll be able to enjoy thousands of store-paying top-ups, including charging with this tool because diamonds are cheaper almost free. Related Go to contentUter normally, please have patience. All rights reserved many players always give them say this phrase I want to buy diamonds in free fire, but most do not know how, I will tell you now that you can reboot from the pagostore page and from the same Free Fire, Also at the end of the post we will give you a little surprise. According to the same official free fire support Garena, there is only The official ways to recharge diamonds that are: Where to recharge diamonds for free fire There are two official shapes, one through the Pagostore website, and the other way is within one game, in which case we explain step by step how you should recharge your diamonds. How to charge diamonds in a free heat? We're going to go step by step, in this section we'll teach you how to charge diamonds in a free heat, so take a leaf and pencil to start taking note. Went! Hey baby first you should know that there are two ways to replenish diamonds: You can top up free fire diamonds with debit or credit card. The other is because of the Google Play codes, but don't make a fuss that I'll show both of you now. How to buy diamonds in a free heat? 1- Enter the game and go directly to the top where the diamonds are with the plus symbol on the side. 2- Select the amount and number of diamonds you choose to purchase. 3- In this part, you'll get two payment options, the first is credit or debit card payment, and the second will pay with the code that's from Google Play gift cards. 4- In this case, we'll do the credit card payment process we're clicking on, now they'll send us to the address where we'll have to enter our card details. 5- Now it's your turn to fill in your personal data, it's very important that they be the same as those on your card, more than anything to check if you really own it, I wish with that, which is very important. 6- Already uncle!!! It's just to give it a go further and official support garena free fire How to buy diamonds in free fire with Google Play codes: It's very simple all you need is to have a Google Play card once I have it behind it you'll see the code on your back. The same code you will have to enter in the code section under the map option, this will be the case. You will have your diamonds to enjoy. What is the Free Fire Charging Center? Now we'll be charging Pagostore, it's a page to recharge the official free garena fire diamonds, making it the only external refill center tested by Garena, and while you don't believe it's a little easier to recharge through this platform, well that's my opinion, since it gives us more payment options, making it a lot easier. Of course, the diamond reboot you'll already ask these questions I'll answer now: How to charge diamonds if I underestimate? Pagostore has the option to pay through commercial institutions such as: Oxxo, Tambo, Walmart, among many others. The best part of this option is that during payment you will not be asked a minimum they will ask you only for the code that will give you the page. How do I put diamonds without a credit or debit card? In the same way in Pagostore you have a great variety to pay for, replenish diamonds without having a credit or debit card, it is possible thanks to this platform How to replenish Diamonds in Pagostore? 1- We enter the official Pagostore page, hitting inside we choose the game we want to recharge. 2- In this part we will get a list with several payment methods, in this section we will teach you to buy diamonds without a credit card, because it is very easy to make a card overtaking you will only go to the option of entering your card and you did. 3- We select the number of diamonds that you will be able to recharge, it is very important that you explore the price and number of diamonds you will have, so you will avoid future problems. Prices to return free fire4 diamonds- We give you a payment and we confirm our email, then we will receive the CIP code PAGOEFFECTIVO (This platform in case you are from Peru) in case you can not choose between different banks that will come out, now I explain. 5- With this code, if we can go to any mail bank agency that makes them downstairs in my case I got these options because this payment is adapting to my country, in which case you will get other options. So keep that in mind. I hope that with this guide you have become much clearer how to recharge diamonds and in a very simple way and without having to have Google Play maps or codes How to replenish diamonds in Pagostore in the video You now remember that at the beginning of the post I told you it would be a surprise because here this one left you a YouTube channel where they make weekly draws and diamond prizes for the game. Great, isn't it? FAS: Can I place free fiery diamonds in cash? Course! If you want to res pest in cash, we recommend that you do so through Pagostore, because here you will find an alternative to cash payment, here you will be assigned a code by which you can contact any banking agency that points you out and pay for your diamonds in real cash. How can I put diamonds in free fire by ID? In Pagostore you will have this alternative, so take advantage of it, only with your game ID you can charge diamonds in the same way you can also give them to your friends. You reboot the diamonds in a free heat and you haven't given them what I'm doing now? There are very few of these cases, but if there is anything you need to do, it is to contact Garena Free Fire Support and provide them with your ID. In case Halas bought Pagostore I leave you a short guide here. Why can't I charge diamonds in a free heat? This it owes several factors such as it: Wi-Fi, you id may be incorrect, you entered the data incorrectly. These are some of the most frequent cases, but if you want to know more, I leave you here for information. Summary information Resume
