Tap Life: Pets APK 1.2 (46 MB)Play Life: Pets OBB 1.2(152 MB) Additional info requires Android4.4 and up Toca Life: Pets is a fun casual entertainment game. You can keep your own pet companion! You can choose the small pets you want to keep and take it anywhere interesting to play! The game features a horizontal 2D version, featured in a more colorful cartoon style. We will come to a pet city with 5 regions and pet stores where players can play pet doctors to care for injured pets, wash their dirty animals, picnicking, take risks and more. The game has a free life experience that currently gives us five room scenes and we can have fun our five rooms with pets. Each room within the game has a different theme, which can greatly improve the diversity of the game, so players can also play according to the different backgrounds of the room to think about how setting the match with the character to experience the different rooms brought different fun of life. Play Life: Pets is a totally open and game-free entertainment game where we are the masters of this world and enjoy our casual daily enjoyment. Download The latest APK version of Toca Life: Pets MOD. An Android educational game this MOD comes with Unlocked available download Yours Now.Welcome into Toca Life: antiques, in which you live and your animal friends run this series! Whats your favorite pet? Hairy and fast? Just a little creepy? With more than 120 creatures, Toca Life: Pet has every type of pet you can imagine. EXPLORE FIVE PARK LOCATIONS: Love the outdoors with all pets! Or build an agility class to educate your pets also test your own skills. Poke around a little bit, researching the bush – you could come across some openings to expand your pet! PET HOTEL: From time to time homes go on a trip without pets, but as a result of this pet hotel, pets get their own holiday! With plenty of comfortable spaces, a backyard and an outdoor area, each pet will have a wonderful place to relax or play - cat or dog, bird or peresós-bat! VET: Your vet can help sick animals feel better and also help healthy pets remain so! You will locate drops, pills and tools necessary to function in sick or sick pets. Pets can play outside or wait for comfortable beds before the vet is ready to see them. PET SHOP: Discover everything you'll need to prepare, feed and play and take care of pets in your pet shop. After shopping, grab a bite to eat in your pet shop café, where pets get a table too! BUNGALOW BREEDER: This is where the pet starts and ends daily. The bungalow is also obviously full of pets hiding from rainwater and playing on the lawn and splashing around on the sand. Don't worry, that giant bathtub will get everyone clean! FEATURES Role playing in five locations: pet park, pet complex, pet shop and breeders bungalow. Meet 23 new characters. Play and take care of 124 real and fantasy animals. Bathe muddy pets also make them clean again! Pretend to be a vet and take care of animals sick and injured persons. Dress your pets in fun hats - stack hats in hats ! Build an agility course to train animals and let them get the training they need. Pull the branch into the pet park to find a surprise! About us: We plan our products in full view of children so that children are alive, imaginative and they would like to be.
