Word jam game

By Cara Page whether it's scrambled words, puzzles, crosswords, riddles or fun with anagrams, many adults love a good word game. If you're queuing at the bank with your mobile phone or just want to have fun by printing a few games from your computer on a workplace break, several websites offer free adult word games to play. This site includes daily puzzles in English, French, Spanish and Swedish. Puzzles start easily on Monday, then gradually increase in difficulty throughout the week. Their crosswords can be printed, but users can activate them to play online. Search for printing and interactive, online filling, crosswords, stirrers and puzzles in the menu on the left side of the home page. Shockwave offers a variety of online word games as well as downloadable games. In addition to typical crossword puzzles and word searches, this site has games like Picturific in which users try to guess a secret phrase with each letter revealed one by one, or a Super Text twist in which users take a intertwined group of letters and try to spell as many words as possible before time runs out. True to its name, Games has a word-only game section, with a new game that is released every morning. Games offers games-show-style word games, letter jumbles, and trivia games in addition to crosswords and other popular word games. Try Bookworm, which has you feverishly linking letters to spell out words, or your own game of games, the Book of Treasures. This site also has a whole section dedicated to word games. The expected crosswords, stirrers and hangman are here, along with new games like Phone or BlackBerry game, which gives you an idea and number and asks you to figure out the secret word using a phone or your BlackBerry mobile keyboard. One of those things in which you can guess which strange word is not one you can find in the dictionary is another favorite word game. Free games have Lexulous, an online Scrabble game, along with WordTris, a Tatrice-style wordplay where letters fall off the screen and you need to stack them to create words while on a clock. If you're looking for a little education with your word game, try Vocabulate, which aims to increase your vocabulary or AcroChallenge, which makes you compete to create sentences from acronyms.
