Diamond Diaries Saga Level 621 TipsTo beat the level, we've compiled a short list of general tips that should help you along the way. While some tips are more useful than others, it's always good to remember the basics.#1 Our most important advice of all would be to take your time because there is no time limit. Taking your time will allow you to calculate approximately where the diamonds will end up and what kind of space you can clear in The charms. #2 try to bind as many charms as you can at once. This may seem like an obvious tip, but if you have moves to spare, you can take some gems of how to create a very long string!#3 Keep your eyes open for opportunities to make special gems. This includes cross-breathing and rays. All this all you to clear a large amount of blocks at once that will be contribute to your goal. Plus, even if you don't use them to reach your goal, you'll get bonus points at the end!#4 This tip is a follow-up on our second tip. While your attention is at the bottom (or elsewhere) of the playing field do not ignore the clearing blocks at the top of the playing field. Take a break after each move and take a look at the entire playground to see if you can make specials.#5 Remember that gems don't need to be in a straight line for you to be able to connect them. You are able to trace your link and add more gems to create as big a link as possible! If you have any advice for Diamond Diaries Saga Level 621, please leave a comment below!
