Learn more at cabify.com/business. 20 Jan. 2021 Version 7.62.0 We continue to work to keep the entire city on your finger through our app. In this version: – We have applied some improvements to our shipping category. - Now all the buttons in the application look the same. Consistency Register! - And we change the order of categories. You won't notice, but mindful that you will thank us. Remember that you can rate it and leave us a comment. Your feedback is important keep improving! I don't know why it gives me that anyone writes that if I don't know that criminal record with a thousand more nonsense is taxi drivers... I call me pro-Cabify from now on, exceptional treatment, you pay for a trip a specific price, no doubt in troll when you dedicate yourself to turning around to make the race longer, you are greeted with a bottle of water that with the heat that appreciates and much, after waiting in, to ask you that if it is okay when broadcasting we want... we will be like from the way I met Kabify thanks to a taxi hit. Thank you for your work and initiative. Skill always makes the client have a better service. Receive 50 for your first three trips if you sign up with this code marianab2655 Thanks to those days we decided to use Cabify... Spectacular... one day I told a taxi driver if I could change the station.... the response was blunt, the car is me and I put the station that I want....
