Take back your space with this easy to use ant and roach spray. It can be applied to surfaces where ants, roaches and other bugs listed can be infested. It kills a wide variety of insects, including cockroaches, ants, silverfish, crickets, wigs, domestic spiders, multicolored Asian female beetles, stinkbugs, scorpions and black widow spiders. Fragrance-free – leaves no persistent chemical odor. DIRECTIONS FOR USE: It's a federal law to use this product in a manner inconsistent with its labeling. FOR INDOOR DOMESTIC USE: SHAKE WELL BEFORE EACH USE. Hold the container upright. Do not spray in the air. Apply only to surfaces. Point the spray opening at the surface to be sprayed and press the button firmly. Hold about 18 of the surface being sprayed. Aerosol Aerosol surfaces are wet. Avoid excessive wetting of asphalt, tiles, rubber and plastic materials. More frequent application will be required to maintain control over plywood surfaces. Repeat as needed. To maintain control of interior surfaces, remove every 4 weeks as needed. Do not apply to humans, pets, plants or contaminate feed, food, dishes or utensils. Cover or remove food, dishes, utensils and exposed food handling equipment. During any application to the ceilings of a structure, cover the surface underneath with plastic shielding or similar materials. Do not apply this product in a way that contacts anyone or pet. Keep people and pets out of the area during the app. Leave the area immediately and stay out of the treated area until the aerosols have dried up. Remove birds and other pets before application. Cover any fish-inhabited water (such as aquariums and ornamental fish ponds) during treatment, and shut down aquarium systems. Do not use water-based aerosols in ducts, motor housings, junction boxes, switching boxes or other electrical equipment due to a potential risk of shock. During any indoor surface application, do not allow dripping or runoff. Do not use as a space sprayer. Use only in well-ventilated areas. Do not use in greenhouses where plants are grown for food. ROACHES, WATERBUGS, PALMETTO BUGS: Spray until wet in the cracks around the sockets and other hiding places. When insects are expelled, spray directly. ANTS: Apply to ant trails, also around doors, windows and wherever ants enter the house. SILVERFISH, CARPET BEETLES, CRICKETS, EARWIGS, HOUSEHOLD SPIDERS, MULTICOLORED ASIAN LADY BEETLES, STINKBUGS: Sprays areas infested by these pests. BLACK WIDOW SPIDERS, SCORPIONS: Must be sprayed directly to be killed. USES: Kill: Ants, Crickets, Multicolored Asian Beetles, Cockroaches, Silver Fish, Spiders, Waterbugs.WARNINGS: DANGERS FOR HUMANS AND DOMESTIC ANIMALS Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. USER SAFETY RECOMMENDATIONS Users should wash their hands with plenty of soap and water before eating, drinking, chewing gum, using tobacco or going to the bathroom. Users should remove clothing immediately if the pesticide enters. Then wash well and put on clean clothes. FIRST HELP Keep the product packaging or label with you when you call a poison control center or doctor, or you will receive treatment advice. IN CASE OF SKIN OR Remove contaminated clothing.
