## Spiral notebook making machine price

Browse our wide range of printing and link equipment, such as Automatic Case-Making Machine, Block Book Machine, Book-Sling Machine, Book-handling machine Exercise, Hard Cover Machine, Perfect Binding Machine, Paper Cutter, Paper Switch Machine, Paper Punching Machine, Perfect Bonding Machine, Spiral Binder Machine, Tool for Siggng Book, Machine For Sewing Book, Three Trimera for Cutting Knife i Machine For Sewing Wire. This ultimate printing machine system is high on quality and speed and low price, which is strong demand in the market. All our clients in India were satisfied and valued by our products due to their high performance and quality. Printing finishing equipment used in a wide range of applications, such as complete book cover pages, calendars, hanging calendars, files, book binding, notebooks, etc. Our authorized partners for bindery and finishing equipment for sale in India. Contact us if you want to know more about final printing equipment Other products: Conventional CTP Systems | Flexo CTP Systems | Thermal CTP Systems | Violet CTP Systems | Engraving engraving | Sheetfed Offset Press ★Machine a brief introduction★Forming different wires to squeal and weave into the book at the same time. Changing the wire and the toothpick can capture different wire specaphydation. Tying books and wire forming spiral finished at the same time. convenience and efficiency. After the book binding has been complete, both ends can be automatically cut off and closed. The books automatically fall into the co-tank after tying completely.★Technical parameters★The styling design and binding machine CWH-450running size above the 5/8 diameter machine needed a special scafloor.wire specification1/4. -1.max.binding width450\*530mmmin.binding width130\*85mmmax.binding thickness20mworking speed800-1 300books/hourpower source220v 1ph h 50hzMachine dimension900\*1400\*1200mmmweight0.25t★Products show★Repel size over 5/8' diameter of the machine was required special redosled.★Fotos i documents★★ ★O us★O 1995., Cheung Wo Hing Printing Machinery Co.,Ltd(CWH) is a large company based in Hong Kong,concentrating on R &mp;

D,manufacturing,marketing, and professional printing machines. The CWH is based in China, which views the world as its long-term development strategic objective. More than 20 years. CWH has switched on the production line used to make machine-connected laptops. CWH was also an agent in China for some advanced printing machines and equipment manufactured at home and abraod. They are highly valued and well welcomed by the same industry in domestic and international users for their advanced design, stable and exceptional operation. CWH continues to hunt the company's long-lasting, harmonious teamwork spirit, a successful business with our customers together as their long-term dream. CWH has obtained an ISO 9001 certificate with a quality Professional innovation. Keep improving. CWH always know about the latest industrial and technical information, provides customers with general aspects of the production of machinery and equipment, as well as production-problem solutions with CWH spirit company Continuous quality improvement. Make the best. In addition, CWH has a high-efficiency, professional aftermarket group service that could provide customers with a smooth business running using CWH branded machinery and equipment. CWH takes into account the market strategy of the coexistence of domestic and international markets, established an excellent market network, takes Pearl River Delta Region as its main market,taking other adjustments in China as its shiny markets. Export machine far to Asia, Europe and America countries are also making progress in product quality and production capacity. In the coming days, the CWH will make a consistent effort to promote the development of the printing industry, in terms of creating a bright future together with customers together. If you are very urgent to obtain a price, please call us or tell us in an email that we will take into account your demand priority. 2)How can I get a sample to check your quality9 After confirming the price, you can request that the samples check our quality. 3)How long can I expect to get a sample9 After you pay for the sample charge and send us the certified files, the samples will be ready for delivery in a 3-7 days.NO MOQ 3 Year Warranty NO MOQ office manual paper spiral wire binding machine with double handle manufacturer NO MOQ office manual paper spiral wire binding machine with double handle manufacturer Model No. SO-WB006 Net weight in kg,machine Gross weight in Kg(MC) Dimensions Product in cm Mastercarton dimensions in cm 10.2 23.5 30\*43,5\*37,5 53,5\*53 5\*40 Mastercarton Qua Punchlng Capacity Punch Disengagement Pins 2 15pages (70-80g) after punch 3/16&quot;-9/16&quot; 34pcs Margin range Certificate Adjustable 3mm-8mm CE Pay \$200 if delayed, Pay \$50 if problems don't solve.
