Although most of them had not found them while trying your way out, although you would find a varied way to get out of the rooms mysterious cube. Failed end only but putting it back where it is and finding it all is part of the challenge. How to find them if you are missing any of them here. Room 01 - Brundlefly Come back here later after completing Room 1 and to discover a mysterious pod on the left. Tap this to beam your way home, just find yourself with a new problem. Room 03 - Complete 3 puzzles in accelerated DecrepitudeOda and then go left to age and die. Room 05 - Spaace.Complete this room is puzzle and take the only exit on the right. Room 08 - Tyrannosaurus RexOda 8 puzzles complete and go back in time and take the exit door on the left to meet a dinosaur. Room 10 - Finish the puzzle here to open the door to another jon collective of unfortunate end to resistance futile game. Room 11 - Security lock down to get the first finish you need to do this before discovering the secret key charge in the menu. Tap the wall on the left to reveal a hidden door. If you pass through here, you'll be in a hallway without the right security clearance. This end will tear you to pieces. Room 13 - Immortality Once we found all the collected items (at the time of writing 15). You can access the door to the right of room 13 and encounter the Floating gold ball that fulfills your requests.After you find the time key (collections) in the last hidden Menu, go back to room 11 and back into the secret corridor. This time you'll find yourself in a control room. But what are you controlling? We hope this will help you find all the end of the game. If you have any questions, please go to the Answers Page or the comment below. We also have related questions and answers to this topic that can help you: Show all Mech-Cube a game for Android, which you have to explore cube, a strange work of a lot of puzzles. There are 7 recents and 13 collections in this game. I got all the end and 12/13 collections. Can someone connect me to a walkthrough for the last item? Page 2 4 comments comments
