Keep your defense and kill zombies in one of the best first-person shooters, dead target VR. Can you understand the key to survival? A year after the apocalypse operation of the cheating CS Corporation who got the whole city infected with zombies in 2040, they now face their own doom. Their technology has created zombies too powerful to maintain control. An outbreak from their bio lab once again turned the entire island into a great nest of the living dead. CS Corporation escape from there leaving their base as the only terminal amid hell. You and Agent M will once again be the heroes who are going to save the day with a dead cause: a zombie intensified. Your new mission is to cleanse this city and restore peace to the surviving people. But be careful! Zombies are now faster, much bigger and much more intense! Think twice before you go in. Consider 10 times more dangerous than last year. Dead Goal VR: Zombie Intensified is an FPS game where you can: - Kill zombies with epic weapons- upgrade weapons and equipment to deal with upcoming zombie waves- 3D shooting attempt as a zombie hunter- zombies kill of all kinds when you set your nerves to the highest level DEAD Target VR Features: Apocalypse - Can You Survive?- Dead Target is the best FPS game where huge waves of zombies come at you like tsunamis- kill zombies before the invasion approaches youZOMBIES- zombies come in many forms with killing abilities Miscellaneous- How many zombies can be highly infected with the virus- shooting in the head isn't always the best way to kill - think like a sniper before deciding to shoot INS & GADGETS- Multiple weapons - kill with rifle, shotgun, machine gun, grenade launcher and more - unlock guns when you finish missions and improve your power to become a real killer- discover fighting moves using different guns- shoot zombies with the right push to make Terminator battlefieldQUESTS & achievements- shooting zombies allows you to complete missions to collect the The stars and unlock cooler items- shoot zombies so you can be the last standing- strange achievements are always the highest paid battle on different maps- prevent zombies from escaping while protecting the hacked front- an accurate shot can trigger an explosion that can save You have the right timeEPIC effects- enjoy 3D graphics with realistic lighting and display the pollution of a zombie- guns have different sound effects to represent their real life versions can you survive the zombie apocalypse?
