Redeem this list We moved to Gig Harbor about a year and a half ago from Nashville, TN and have been looking for a charming place with good food at a reasonable price. We have been in countless places up and down the Sound and where the food was... great, prices were exorbitant and where prices were good, food was, well, meh. Then we came to Market Place Grill a few weeks ago. Wow! Bam! Press the mark! As a longtime Clam Chowder enthusiast, this is the best in the area, hands down. As a fan of small but intimate settings, this place is about to. As a supporter of locally dedicated Mom & Pop joints, this is just that and the owners are there every minute; the husband is a chef and the wife is a hostess/PR Maitre'd who is sincerely concerned about the happiness and keen sense of humour of his clients. ANd this is given to the waiter because our server, Jantae, reflected the same love, humor and concern for customers as the owners. It was a great experience! Paella excellent; Jerk-excellent, scallops the best I've had; Smoked salmon, the best thing I've ever had. This is our new favorite restaurant and I can't say enough good things about it. More
