Propane Permit Application

Applicant Name:	Date:
Phone Number:	Service Address:
Propane Supplier:	Tank Size:
Email:	Above Ground or Under Ground:

Please include a copy of the site plan or draw a diagram (space provided on page 2) with the tank placement and setbacks. Propane tank setbacks must be installed as per the International Fire Code.

Applicant Signature: _____

Prior to issuing permit, the applicant must pay a non-refundable inspection/review fee of **\$165.00**. Payment may be mailed, delivered, or paid by credit card during office hours.

Please call (435)-940-9636 to schedule a placement inspection.

For underground tanks, the inspection must coincide with tank placement. Tank CANNOT be buried prior to inspection. *If the propane tank is underground an inspection is required BEFORE backfilling.

For above-ground tanks, the inspection may be done after the tank is placed but before it is used.

Tank or groups of tanks over 5,000 gallons must be reviewed and approved by the Utah State Fire Marshals Office.

For Internal Use Only
