Share not to be confused with Neon's black scooter. Black scooter in inventory player 70 or 199 (Small and great gifts) Black scooter is a limited common vehicle in Adopt Me! which was available in the old Gifts from about 2018. It cost 70 and 199 in small and large gifts respectively. However, since the gifts have been updated with new items, black scooter is now unaffordable if due to trade with other players. Being a vehicle, this item is designed to facilitate the island's edict of adoption and the surrounding area. Appearance Black scooter has a black scooter with black handles and a stripe of white between them. Its neon analogue is a neon black scooter. Share a neon black scooter The black trail comes out the back while driving Shared (meant to be ultra-rare) 70, 199, 499 (Small, Large, and Massive Gifts) Originally available through gifts, now trading neon black scooter is classified as a regular single car in Adopt Me! temporarily could be obtained from the rotation of old gifts. It was priced at 70, 199 and 499 in matching gifts. Due to the fact that it is removed from gifts, now it can be obtained only through trade. Neon black scooter has similar qualities to other neon scooters. It has neon black and leaves a black mark on it when used. Its normal analogue is the Black Scooter, which has no trace or glow. As a vehicle, it was designed to facilitate the island's edict of adoption and the surrounding area. Trivia The Neon Black Scooter was released simultaneously with other scooters in gifts. It was supposed to have an ultra-rare rarity, but was classified as generic due to an error. Because of this, the creators soon removed it after its release, making it available only for hours.
