100 video games in one app

Amazon Target Puzzles are a great source of entertainment if you are looking for a fun challenge. Digital puzzle games offer endless scenarios of creative brainteasers. Once you've put together (and displayed!) a physical puzzle, you can download an app with thousands more. You can play a game of Tetris and challenge people around the world. You can find yourself stranded on an island with no memory and solve a bunch of puzzles to find your way home. From Candy Crush to Word Connection to Art of Balance, we've rounded up the most exciting games on the Internet. Advertising - continue to browse Continue reading Below 1 Roll ball amazon.com test your problem-solving skills by arranging puzzle pieces to create a path for the ball to reach the goal. 2 Word Search Puzzle Game amazon.com Before time runs out, try to find as many words as you can in word themed puzzles. 3 Bridge Builder Portal As an employee at a testing lab, your job is to use gadgets to build bridges and ramps throughout the lab. 4 Puzzles amazon.com This app has more than 10,000 puzzles featuring a wide variety of photos. 5 Word Connection amazon.com Connect letters to create as many words as you can think of. 6 Witness Start this game with one player waking up on an island without remembering you got there. To find your way home, you have to explore the island, solving hundreds of puzzles. 7 Candy Crush Saga amazon.com The purpose of Candy Crush is, well, to crush candy. Try to clear as many rows and columns of candy in the least amount of moves to earn points. 8 Tetris 99 With this classic tile matching puzzle game, you can go online and challenge opponents. 9 The Art of Balance In this game, build a balanced stack of the shapes you are given. Sounds simple, but there are 200 levels to test your skills and creativity. 10 Fruit Cube Blast amazon.com The goal of this game is to match as many blocks of fruit cubes as you can.
