Easy chocolate cake balls recipe

07/13/2019 I made it with a mixture of sugar-free pings and it was amazing!!! Will definitely do it again!!! 1 of 2 Best Chocolate Birthday Cakes Antje Zell 2 of Brenda's 2 Best Chocolate Birthday Cakes 06/09/2009 Important: after reading how chocolate-less this cake seems to me to use 5 TIMES the amount of chocolate required. I followed the whole measure exactly (only I used brown sugar instead of the white and usual flour that I sifted -not cake flour). This cake turns out to be a great and rich sluggish! I added a thin layer of homemade frosting above though this is really an option. 08/22/2003 I used this recipe for cake for my son's 3rd birthday party. Children and grownups just love it. 02/25/2003 I was looking for a cake with some good chocolate flavor and this is not. Like previous reviews, it's probably something that kids might love. 08/19/2008 big cake. I made it for cup cake & they turned out to be really good. I tripled the amount of chocolate though & I still felt it needed more chocolate & Sugar. 05/25/2007 This is the first 'from the beginning' cake that I found that my family loves better than the mix! It's less sweet and damer. We love it. I added an extra half-cup talented chocolate straight to the battery (unmelted) and replaced the soy yogurt for sour cream. Also replace 1/4 cup applesauce for one of the eggs. Delish and healthier! 02/23/2008 Good. The good news is that if you're an utter nimrod who has a bad baking day and forgets to add this cake baking soda still manages to come out properly. That said I would agree that it doesn't quite deliver in the chocolate category but if you're not looking for a cake that's not too chocolate this is definitely a good one. 04/29/2008 Very good and not so difficult to make. My whole family really enjoyed the cake it was damp and not too rich. 04/26/2008 really bad bad radical OMG is awesome. I made this cake for my ants in hospital because she just had a baby!!!!!! he absolutely loved it!!!!!! Her baby was six weeks early and 2.10 ounces so I thought she might love a chocolate cake. 09/16/2009 Easy to make but does not have a chocolate flavor. ioni_99 NERE O ioni_99 Amber celestialcharms Mrs_LJ numy Carmen Sara B. 10 of my 13 chocolate cake readnbake 11 of 13 Chocolate Cake I ioni_99 12 of my 13 Chocolate Cake readnbake 13 of 13 Chocolate Cake I NERE O 1 of 31 Save This Idea Keep this chocolate cake recipe for later pinning this image, and follow country Living on Pinterest for more inspiration. 2 out of 31 Deep Dark Chocolate Cake You don't need more than a small slice of this rich chocolate layer cake to suit your liking.
