It's more satisfying to win matches with your own tactics/skills [playing the global standard of free football games]. Earn league/cup rewards to build your team. Bidding for players on the market at the lowest prices. For those who, like Borussia Dortmund, want to build an iconic and wonderful stadium for club fans, we recommend the PES Club Manager... For those fascinated by clubs like Borussia Dortmund, a team that contributes to their homeland and is loved by local fans... The tradition of believing is important to football clubs... Borussia Dortmund manager Tuchel (Tuchel.....) For those who want to improve their football tactics by making flexible tactical changes in the same game. I think a football club can be something more than a club... I think winning in style is an ideal win... Football is about tactics. A club with a long history. I'm curious about mid-season transfers..... The route for young players in international tournaments..... THINK Education The younger generation thinks it's necessary for a strong club... Football is your favorite sport.\* PES CLUB MANAGER is a free-to-play app. No purchase is required.
