There are also plenty of daily and weekly efforts for you to earn more rewards and improve your journey! Pic 3: Event Games complete with your favorite YouTube personalityFastlane: Road to Revenge Cheats, Hack and Game Guide:Focus only on 3 lanes, if you can't handle 5The cars at the highway becomes warm as you proceed again down the highway. Don't be too ambitious and destroy everything that comes in your sight. Instead, focus on the hallway that your car is in and moves one left or right lane when necessary. Always look for flying missiles or roadblocks (pre-alerted by exam signs in relevant lanes). Pic 4: Flying missiles and pre-warning hazards in Fastlane: Road to revengeSlow things when you need need need Catching a breatherAlthough there is no pause button in the game, there's a really cool way you can slow thing speed and catch breathing. Just lift your finger off the mouse/keyboard and the graphics will go in slow-mo. How awesome is that! That's some cool cinematic there! It's like the next best thing for Five Nights at Freddy's. If you're a fan of games with cold graphics and intense sound effects, head over to Five Nights at Freddy's 2 or even Five Nights at Freddy's 4 after you've finished downloading Fastlane. ©Pic 5: Fastlane: The road to Revenge in Slow Motion Do you wait? It's time for some serious revenge fun! Download Fastlane: The way to Revenge on your PC today! Try other racing games like Need Unlimited Speed and Moto Rider GO: Highway traffic online here! Here!
