Shooter cast season

Get all the best moments from pop culture and entertainment delivered to your inbox. Bob D'Amico Modern Family is about to air its latest episodes this fall. The hit ABC show has been a staple since its inception in 2009, winning dozens of awards over the years. Unfortunately, all good things have to end, and we have to say goodbye to the Dunphy-Pritchett-Tucker clan. To help you get ready, you may want to take a quick trip down the road to memory with these photos of the original actors from season 1 to today. You won't believe how much the cast has grown, and you might find yourself crying in old reruns afterwards. We get it, there's nothing more comforting than a few laughs from Gloria, Cam, Phil, and the rest of the crew!
1 of 22 Then: Julie Bowen as Claire Claire Claire is certainly the stricter parent, so she often bumped heads with her children, especially her eldest daughter, in the early years.
2 of 22 Now: Claire Is a Cool (uh) Mom Now she has found her parenting and professional stride, which has taken a lot of finagling with her father, Jay.
3 of 22 So: Ty Burrell as Phil Dunphy
4 of 22 Now: Phil is as clumsy as Never Much Has Changed with Phil's kind personality, and we wouldn't have it any other way.
5 of 22 Then: Sarah Hyland as Haley Dunphy Haley was the image of a rebellious teenager back in season 1, often more concerned about her social schedule and boyfriends than school.
6 of 22 Now: Haley is a mom Although she is still the it-girl we know and love, Haley has grown a lot in 10 years. She even gave birth to a baby of her own!
7 of 22 Then: Ariel Winter as Alex Dunphy Smarty-pants Alex never misses an opportunity to fact-check family members, especially his older sister, Haley.
8 out of 22 Now: Alex is all big and college graduate! She finished at CalTech in season 10, and we're sure she has something very ambitious in mind for her future. (NASA, perhaps?)
9 of 22 So: Nolan Gould as Luke Dunphy Nolan was just 10 years old when modern family began, and you won't believe what the youngest Dunphy looks like now.
10 of 22 Now: Luke is a major heartthrob The now 20-year-old has seriously matured. I think it goes without saying that it's pretty crazy to have spent ten, coming on eleven, years on a TV show, he said. It's almost half my life.
11 of 22 Then: Ed O'Neill as Jay Pritchett Everyone's favorite grouchy grandfather makes waves with his young wife and stepson. But her adult children, Claire and never hesitate to give it control of reality.
12 of 22 Now: Jay is a little less grumpy He still has his crabby moments, but we now know that Jay is secretly a softy. And how about this dog bed case?
13 of 22 Then: Sofia Vergara as Gloria Delgado-Pritchett Gloria and Jay may have seemed an unlikely couple at first, but she conquered all her family members in time.
14 out of 22 Now: Gloria is still The older Gloria is a beloved member of the cast, and she and Jay still bickering with us today.
15 of 22 Then: Rico Rodriguez as Manny Delgado How sweet is little Manny? Gloria's mature son has captured everyone's heart with his wise words.
16 of 22 Now: Manny is as adorable as ever Even as an adult, Manny still knows how to get the audience to say aw when he takes the screen.
17 of 22 Then: Jesse Tyler Ferguson as Mitchell Pritchett Mitchell and her husband Cam were new fathers when Modern Family started, and they were instantly one of the favorite pairings on the show.
18 of 22 Now: Mitchell wears less bad jerseys that hasn't changed, but mitchell type-A personality has relaxed a bit in the last decade. Focus on a little.
19 of 22 Then: Eric Stonestreet as Cameron Tucker Cam is the most charismatic character in the cluster, and his amusing personality brightens Mitchell more practical.
20 of 22 Now: Cam is always cam It is still as colorful and over-the-top as ever, and we hope that never goes away.
21 of 22 Then: Aubrey Anderson-Emmons as Lily Tucker-Pritchett Little Lily has been the baby of the band for years, but Aubrey did not officially join the cast until season 3.
22 of 22 Now: Lily Is a Little Lady Lily is grumpy, impergneous, and gentle, just like her parents and extended family. Greg Gayne/Netflix The Ranch ends, but we still have a lot of episodes to enjoy before he's gone for good. The show began in 2016, and the first half of its last race will begin on September 13, according to Deadline. Not only will it include the same Bennett hijinks family that we all know and love, but it will also feature a guest star you will certainly recognize. According to the latest trailer, Kurtwood Smith will appear in the next season. You'll probably remember Kurtwood from That 70s Show, where he played Red Forman, the father of Ashton Kutcher's friend. If that doesn't ring the bell, you may know Kurtwood from his roles on RoboCop, Deep Impact, or Star Trek. We're sure there are other surprises in store (fingers crossed for another Molly McCook cameo!) but it seems the cast will stay the same. Here are all the ones we know are back so far.

Ashton Kutcher as Colt Bennett
Colt returned home after a football career failed to help his father run the family ranch in Colorado. In the latest trailer, it seems that his biggest obstacle is getting Abby to come to terms with him. In real life, Ashton is married to Mila Kunis and they have family more adorable ever, no arguments. Debra Winger: Maggie Bennett Maggie is Colt's mother and Beau's ex-wife. It's a regular series on The Ranch, but eagle-eyed fans pointed out that it was introse in the trailer. That doesn't necessarily mean she's not in the next season, but it certainly looks suspicious. Debra appeared in terms of and an officer and a gentleman. Sam Elliott: Beau Bennett Our favorite actor with the hoarse voice is back in the role of Beau. He seems to keep himself pretty busy by giving colt a hard time (with Abby, no less) and becoming tor toy toe with Kathy Baker's character. Joanne. Sam was finally nominated this year for his first Oscar, but he has been in many award-winning films like Road House and The Big Lebowski. Elisha Cuthbert as Abby Abby and Colt are certainly a cute married couple, but she is about to reach her limit after he has betrayed her trust. It is clear that they are separated in the new clip, but it seems that Colt is not yet ready to give up. Elisha was in The Girl Next Door. Happy Endings, and 24.
