You're trapped in the house of the cop who was killed a long time ago. Now he's getting revenge. He's already killed his first target. You're next! You have to find all the necessary item to unlock the locks and escape the house. There are two different ways you can escape. But keep in mind. You have only 5 days to escape the house otherwise you will have the same fate as the previous target. Evil Officer is a survival horror house escape game. You can interact with different items. The enemy is chasing you and you have to find a way to escape. And yes, he has bad ears! Show more video hub downloader-private videos download videos 2.0.5 Video Downloader Pro Designer Evil Officer V2 – Horror House Escape – an adventure game with a horror component in which players will find themselves locked in the lair of a monster who was not the nicest person in life. Now, returning from the dead, he picks up random travelers, throws them into his home, which has turned into a deadly maze, and organizes a hunt for them. The main character has only 5 days to successfully evacuate from this night spot. And it seems that this time it is more than enough, but a cunning and intelligent enemy becomes a serious obstacle to a calm and unhurried movement through the locals. You will have to be extremely careful and reserved.
